

OREGON DEPARTMENT OF PUBLIC SAFETY STANDARDS AND TRAINING

**4190 AUMSVILLE HWY SE
SALEM, OR 97317**

Attention All DPSST Constituents ~

DPSST's Professional Standards Division is pleased to announce the planning of the 2017 Professional Standards Workshop.

The intent of this workshop is to provide you, our constituents, with an opportunity to learn more about the rules, standards and requirements that govern the nearly 42,000 providers of public and private safety services in this state, including the police, corrections, parole & probation, telecommunication (9-1-1), emergency medical dispatch, OLCC regulatory specialist, DPSST/DOC instructors, fire service professionals, private security, private investigation and polygraph disciplines.

The dates and locations for the Workshops will be determined in the coming months. Workshop topics may include:

- An overview of DPSST, the Board on Public Safety Standards and Training and its Policy Committees;
- An introduction to DPSST forms and certification/licensing processes;
- A review of new laws and rules that impact DPSST's regulation of public and private safety providers;
- An overview of certification/licensure denial, revocation and suspension;
- An introduction to Oregon's Public Safety Memorial Fund

As we work to finalize this agenda, we'd like to hear from you. If you have suggestions for additional training topics, please leave them here: <https://www.surveymonkey.com/r/FW3V6NN>

Thank you in advance for your participation. We hope to hear from you soon!
