F.1 INTRODUCTION

OAR 345-021-0010(1)(f) A list of the names and mailing addresses of all owners of record, as shown on the most recent property tax assessment roll, of property located within or adjacent to the site boundary as defined in OAR 345-001-0010. The applicant shall submit an updated list of property owners as requested by the Department before the Department issues notice of any public hearing on the application for a site certificate as described in OAR 345-015-0220. In addition to incorporating the list in the application for a site certificate, the applicant shall submit the list to the Department in an electronic format approved by the Department. Property adjacent to the site boundary means property that is:

OAR 345-021-0010(1)(f)(A) Within 100 feet of the site boundary where the site, corridor or micrositing corridor is within an urban growth boundary.

OAR 345-021-0010(1)(f)(B) Within 250 feet of the site boundary where the site, corridor or micrositing corridor is outside an urban growth boundary and not within a farm or forest zone.

OAR 345-021-0010(1)(f)(C) Within 500 feet of the site boundary where the site, corridor or micrositing corridor is within a farm or forest zone.

F.2 SUMMARY

In accordance with OAR 345-020-0011(1)(f)(C), Tables F-1 and F-2 provide the names and mailing addresses of all owners of record in Sherman and Wasco counties, respectively, located within 500 feet of the proposed Facility site boundary. The 500-foot buffer includes the corridors within which turbines will be sited as well as Facility components such as collector lines, the 230-kV transmission line, the collector substations, and roads.

EC&R Development, LLC (Applicant) created Tables F-1 and F-2 based on the most recent property tax assessment records from Sherman and Wasco counties. The Applicant obtained the tax records from the counties on March 13, 2013.

This Exhibit provides the following additional information:

- **Table F-3.** A list of owners beyond the 500-foot buffer. The Applicant is voluntarily providing this list to further the range of citizens receiving a public notice from the Oregon Department of Energy.

- **Figure F-1 in Attachment F.** A set of geographic information system (GIS) maps showing the parcel location and tax lot ID of each landowner identified in Tables F-1 through F-3. Parcels are shown in relation to the Facility site boundary.

The Applicant has submitted the lists in Tables F-1 through F-3 to the Oregon Department of Energy in electronic format acceptable for the production of mailing labels.
