INTRODUCTION

The following information is provided in response to other standards adopted by the Council to address specific types of energy facilities.

OTHER SPECIFIC STANDARDS

OAR 345-021-0010(1)(dd) If the proposed facility is a facility for which the Council has adopted specific standards, information about the facility providing evidence to support findings by the Council as required by the following rules:

Wind Energy Facilities

Response: Troutdale Energy Center, LLC (Applicant) is not proposing to build a wind energy facility. Therefore, OAR 345-021-0010(1)(dd)(A) does not apply.

Gas Facilities

OAR 345-021-0010(1)(dd)(B) For surface facilities related to underground gas storage reservoirs, OAR 345-024-0030, including information required by OAR 345-021-0020.

Response: The proposed Troutdale Energy Center (Facility) does not include underground gas storage reservoirs. Therefore, OAR 345-021-0010(1)(dd)(B) does not apply.

Transmission Lines under Council Jurisdiction

OAR 345-021-0010(1)(dd)(C) For any transmission line under Council jurisdiction, OAR 345-024-0090.

Response: The Facility does not include a transmission line that meets the definition of an energy facility under Council jurisdiction. However, the proposed 230-kilovolt (kV) transmission line is a related or supporting facility. Information regarding compliance with OAR 345-024-0090 for this related or supporting facility is included in Exhibit AA.
