

BEFORE THE ENERGY FACILITY SITING COUNCIL OF THE
STATE OF OREGON

In the matter of the Site Certificate)
for Shepherds Flat South)
ORDER
APPROVING AMENDMENTS TO THE
HABITAT MITIGATION PLAN

1 Under Condition 85 of the site certificate for the Shepherds Flat South wind energy
2 facility, the certificate holder, Horseshoe Bend Wind LLC, is required to maintain and
3 enhance a habitat mitigation area as described in the Habitat Mitigation Plan (HMP). The
4 HMP may be amended from time to time by agreement of the certificate holder and the
5 Oregon Energy Facility Siting Council (Council). The Oregon Department of Energy
6 (ODOE) is authorized to agree to amendments of the HMP, but the Council retains the
7 authority to approve, reject or modify any amendment of the HMP agreed to by ODOE.
8 The certificate holder and ODOE agreed to certain amendments of the HMP, and ODOE
9 presented the proposed amendments to the Council at a meeting in Hood River on
10 December 9, 2011. The Council reviewed and voted to approve the amendments.
11 THEREFORE, the Council hereby approves the amendments of the HMP for Shepherds
12 Flat South as presented at the meeting on December 9, 2011.
