*As part of your application for an initial or renewed occupational, professional, or recreational license, certification, or registration issued by the Oregon State Landscape Architect Board (OSLAB), you are required to provide your Social Security Number to OSLAB. *This is mandatory.* The authority for this requirement is Oregon Laws 1997, chapter 746, section 117 (ORS 25.785) and 42 USC ~ 666(a)(13). Failure to provide your Social Security Number will be a basis to refuse to issue or renew the license, certification or registration you seek. Although a number other than your Social Security Number appears on the face of any license, certificate, or registration issued by OSLAB, your Social Security Number will remain on file with OSLAB. *The record of your Social Security Number will be used for child support enforcement purposes only, unless you authorize other uses of the number.*
