REQUEST FOR INFORMATION

Race, Ethnicity, and Language Skills Questionnaire

During the 2001 legislative session, Senate Bill 786 passed (Chapter 973, Oregon Laws 2001) requiring all health professional regulatory boards to maintain records of the racial and ethnic makeup of applicants and licensees of Oregon health regulatory boards. It also encourages identification of professionals to promote the health of bilingual citizens of Oregon.

While the Board of Chiropractic Examiners is required to seek, maintain, and report to the Legislature the following information, providing such information to the Board is voluntary. Therefore, we request your response to the following questionnaire so that we may assist in encouraging and identifying diversity within the chiropractic profession. Please return your questionnaire to the address listed above.

See the next page for racial and ethnic definitions excerpted from State of Oregon employment documents and the US Census Bureau.
