

Oregon Board of Naturopathic Medicine  
**APPLICATION FOR EXAMINATION**  
**Instructions**

Applications must be received postmarked no later than October 15, 2012  
to be eligible for the November 5, 2012 examinations

## Introduction

Completing and returning the Application for Examination is the first step toward obtaining a license to practice naturopathic medicine in the state of Oregon. It is important that this application is filled out completely, and accurately. The Board strongly suggests that you, the applicant, fill this form out yourself to ensure that the information provided is true and correct. A curriculum vitae or resume will not substitute for filling out this form. You will be responsible for any errors on this form.

All sections of the application must be completed. If a question or section does not apply to you, you must mark "DNA," meaning "does not apply," in the appropriate box. Incomplete applications will not be accepted, and will be returned to the applicant.

Unless otherwise directed, all dates must be complete, listing the day, month, and year. The numbering format for dates should be MM/DD/YYYY. For example, the date January 20, 1981 should be entered as "01/20/1981."

When listing an address, you must provide a complete and correct street, city, state/province, and postal code (Zip Code). Be sure to include any special numbering or direction conventions necessary to properly identify the address, such as "NE" or "Ave." Also include apartment or unit number, if applicable.

If you find insufficient space to completely and accurately answer any question or section on the application, you may provide more detail on an additional page. If you attach an additional page or pages, mark the application form to indicate that more information has been provided. Also, identify the relevant section on the additional page or pages.

The application may be typed, computer generated, or hand written in black or blue ink. Illegible applications will not be accepted.

## Additional Documents to Provide

There are four (4) application cycles per year, and each cycle includes an examination date. Documents received after the deadline will be returned for processing as part of the next application cycle. As part of your application, the Board must receive the following documents prior to the application deadline:

- All of your national (NABNE) examinations scores** – These scores must come from directly from NABNE. Copies of NABNE scores will not be accepted. Note: Part I scores are not automatically sent with Part II and Minor Surgery exam scores and may need to be requested separately.
- Official post-secondary school transcripts** – You must contact the undergraduate and naturopathic schools you attended, and request that they send official transcripts directly to the Board office. Unofficial copies, or copies provided by you will not be accepted. We recommend that you contact the Board office to verify that we have received all your transcripts. Every school has a different process for ordering transcripts, and we suggest you initiate this process soon to ensure the transcripts arrive before the application deadline.
- A copy of your ND diploma** – You must forward a copy of your ND diploma to the Board office. You may request that this is sent with your transcripts, you may send it with this application, or you may send it separately.
- License Verification** – If you have been licensed as a Naturopathic physician in another state/jurisdiction, you must have a verification sent from every state/jurisdiction in which you have held or currently hold a license to practice as a naturopathic physician. We do not need, at this time, verification for other professional licenses held.
- Fingerprint card** – You must submit a complete fingerprint card, which the Board can provide. Fingerprint cards that are incomplete or non-classifiable will delay your application for licensure. *These are not required to sit for the examination; however, the background check must be completed before licensure.*
- Payment** – The fee for the examination application is \$150.00. The fee for the criminal background check is \$50.00. Exam fees are non-refundable. You must include payment (personal check, business check, money

order, or cashier's check) of this fee when submitting your application and fingerprint card. Make the check payable to: Oregon Board of Naturopathic Medicine (OBNM).

Applications sent by e-mail or fax will not be accepted. Send all documents, including the application and payment to:

**Oregon Board of Naturopathic Medicine**  
**800 NE Oregon St, Ste 407**  
**Portland OR 97232**

## Examination and Deadline

To sit for the next exam, your application materials must be received by the Board office on or before the application deadline. You will be notified of the exact time and place of the exams prior to the exam date. You will not be allowed to sit for the Oregon Formulary or Jurisprudence examination if your application file is missing a diploma, transcripts from naturopathic college, or NPLEX scores if already taken. We advise that you call the Board office at 971-673-0193 to verify that your application file is complete.

If you have questions regarding the NPLEX examination fee or schedule, you may contact NABNE at 503-778-7990 or visit their web site at [www.nabne.org](http://www.nabne.org).

## Fingerprint Cards / Background Check

As part of the application process, the Board will conduct a background check on all applicants. This check will include a fingerprint-based national criminal history search. You must submit your fingerprints on the proper form (FBI Form FD-258). Photocopies, duplicates, or fingerprints provided on other forms will not be accepted.

If the fingerprinting service you select uses Live Scan, you may submit a card printed by the Live Scan system. The card must include all of the information on the pre-printed cards, including the Board's name and ORI number. Fingerprint cards may be obtained by contacting the OBNM office, or they are available from the fingerprint service provider. If you obtain cards from the service provider, you will need the following information: the **ORI** is **OR0260BNE**; the **OCA** is **NAEX**; **Employer and Address** is **OBNE Licensure**; and the **Reason Fingerprinted** is **ORS 685.195**.

Your fingerprint images must be classifiable, which means they meet the standards as outlined by the FBI. Incomplete cards or cards that do not meet FBI standards will cause a delay in your application processing.

There are many police departments, sheriff's offices, and other law enforcement agencies that provide fingerprinting services. There are also private companies that provide this service. The cost for obtaining fingerprints varies. To locate the fingerprinting agency or business nearest you, contact your local law enforcement agency, or search your local business directory under the category "fingerprinting services."

Although you may fill out your personal information on the card prior to fingerprinting, you must sign the card in the presence of the official obtaining your prints.

It is important to understand that the existence of criminal history is not necessarily a disqualification from licensure. The results of all criminal history searches will be reviewed on a case-by-case basis. For more information about the background check process, please refer to OAR 850-030-0020.

## Section 1 – Identification

The purpose of this section is to provide your personal identification information to the Board. Provide your full, legal name, in addition to any other names or aliases that you have been known by. Failure to provide other names used may result in denial of your application.

As part of your application, you are required to provide your social security number. This is a mandatory requirement, and authority for this requirement is provided by ORS 25.785, ORS 305.385, 42 USC § 405(c)(2)(C)(i), and 42 USC § 666(a)(13). Failure to provide this information will be a basis to refuse to issue or renew your license. This record of your social security number will be used for child support enforcement and tax administration (including identification) purposes only, unless you authorize other uses of the number.

Your place of birth should include the city and state or province. If you were born outside the United States, include the country or territory name.

Your physical identification information will be used to verify your identity, and to conduct a background check, as authorized by ORS 685.195. When listing your height, use inches only.

## Section 2 – Contact Information

Provide your current, physical, residence address. Do not list a post office box, or a private mail box. If you have a separate mailing address, or an office address, you may list that in the mailing address area. When providing your telephone numbers, be sure to include the area code or country and city code.

## Section 3 – Other Professional Licenses

If you have ever applied for any professional license in any city, county, state, country, or other jurisdiction, you must provide details of that application. Do not use acronyms. If your application for licensure was not granted, provide an explanation on a separate page. *If you currently hold or have held a license as a naturopathic physician, you must have a verification sent directly from that state or jurisdiction to this office.*

## Section 4 – Naturopathic Education

In this section, list all schools you have attended as part of your naturopathic education, even if you did not graduate. Use additional pages if necessary.

## Section 5 – Undergraduate Education

In this section, list all schools, included colleges, community colleges, junior colleges, and universities that you have attended as part of your undergraduate education. List all undergraduate institutions you have attended, even if you did not graduate or earn a degree from that particular school. Use additional pages if necessary.

## Section 6 – Other Education / Training

In this section, list all of the schools, colleges, universities, or professional training programs that you have attended or completed. List the degree or certificate you earned, if any. Schools that should be listed here include post-graduate education, not listed elsewhere on the application or specialized accredited training programs.

## Section 7 – Personal History Questionnaire

### **Non-disclosure of any of the questions asked in this section may result in denial of a license.**

The personal history questionnaire consists of 21 questions, each requiring a yes or no answer. The purpose of this section is to assess your ability to successfully offer safe care to the citizens of Oregon. It is important that you provide honest and candid answers to these questions. If you answer “yes” to any of the 21 questions listed, you must provide a detailed written explanation to each item, even if an explanation exists elsewhere on the application. If you are uncertain about a question, it is strongly recommended that you provide a detailed explanation. This will help ensure that your application is not denied for providing false or misleading information.

For the purpose of this section, the term “arrest” includes any detention by a police officer, sheriff’s deputy, federal agent, or other law enforcement officer. The term “offense” means any act that is unlawful and subject to prosecution by a court in any city, county, state, or federal jurisdiction. The term “crime” includes any felony or misdemeanor, or any other offense which may result in a criminal penalty, including a fine, order for restitution, or incarceration in a jail or prison.

You do not need to disclose minor traffic violations, such as speeding tickets. However, an arrest or conviction of a traffic related crime, such as eluding the police, driving under the influence of intoxicants, or hit and run must be disclosed.

For the purpose of this section, the term “licensing authority” refers to any agency, organization, board, or governmental body that issues or regulates professional licenses or practice.

## Section 8 – Address History

The purpose of this section is to ensure a timely and complete background check. You must provide your residence history for the five (5) years prior to the date of this application. Start with your most current residence, and continue listing your prior residences in reverse chronological order.

Do not leave any time period unaccounted for. Include any residence, even if your stay was temporary or short term. Include college dormitories, military stations, and any travel or vacations that exceeded 30 days. If for some reason you cannot list complete address information, provide an explanation on a separate page. If you need more space, attach a separate page.

## Section 9 – Applicant Photograph

As part of the application process, the Board requires that you provide a recent photograph. This photo should be taken within the 90 days prior to the date of the application. The photo must provide a clear, unobstructed, front view of your head and shoulders. The Board recommends you provide a passport photo to complete this section.

The photo may not be larger than 2 inches wide and 3 inches high. Also, the photo may not be smaller than 2 inches wide and 2 inches high. You must attach the photo using a staple or glue in the space provided.

## Authorization to Release Information / Affidavit of Applicant

As part of the application process, the Board will conduct a background check, and verify your references. Your authorization to release information is necessary to ensure your application is processed in a timely manner.

In order to make your application complete, it must be notarized. You should sign and date this application in the presence of a notary public. Only the final page of the application must be notarized.
