(Licensee) is licensed by the Board to practice as an optometrist in the State of Oregon and is currently subject to the Jurisdiction of the Board.

Procedural Summary

On October 10, 2002 a Proposed Notice of Discipline was served due allegations of practicing below the standard of care. On April 16, 2003, that matter was resolved in a Stipulated Order requiring Licensee to complete certain requirements. That Stipulated Order was amended on April 9, 2004. In the Amended order of April 9, 2004, Licensee was to complete a list of requirements, and failed to fulfill them. As a result, on August 3, 2004, the Board issued a second Notice of Proposed Disciplinary Action seeking revocation for Licensee's failure to pass the tests and failure to complete the Stipulated Order requirements of the Amended Order of April 9, 2004. On September 20, 2004, Licensee resolved that matter by way of Stipulated Order. In that order Licensee specifically agreed to the following:

Two years from the date this Stipulated Order is fully executed, if Licensee has not successfully passed Part III and the TMOD of the National Board of Examiners in Optometry examinations he agrees to voluntarily surrender his Oregon optometry license.
