OREGON BOARD OF OPTOMETRY APPLICATION FOR EXAMINATION AND LICENSURE

For

Certification To Use Nontopical Therapeutic Pharmaceutical Agents with Injections

I am a licensed optometrist certified to use topical pharmaceutical agents by the Oregon Board of Optometry and hereby apply to be considered for certification to use nontopical therapeutic pharmaceutical agents under the standards, qualifications and procedures established under Oregon Revised Statutes, Chapter 683 and Oregon Administrative Rules, Chapter 852.

NAME: _____ DATE: _____
Please Print

SIGNATURE: _____

OAR 852-080-0040(4) Nontopical TPA Certification with Injections (ATI) for active status licensee: Before using nontopical therapeutic pharmaceutical agents with injections as listed in this rule, any doctor of optometry licensed in Oregon in active status must: (a) Pass a Board-approved Nontopical TPA course of at least 23 hours or pass the National Board of Examiners in Optometry's "Treatment and Management of Ocular Disease" (TMOD) year 2002 or subsequent examination; (b) Pass a Nontopical TPA injection workshop of at least seven hours approved by the Board or provide proof of equivalent training acceptable to the Board; (c) Pay a \$75 TPA examination and licensure fee for nontopical TPA certification; (d) Obtain a license from the Oregon Board of Optometry indicating "Certified to use Topical and Nontopical Therapeutic pharmaceutical Agents with Injections"; and (e) Acquire and maintain Board-approved CPR certification designed for professional health care providers. The CPR certification standard is the American Heart Association's BLS Healthcare Providers Course or its equivalent, as determined by the Board. This CPR course must be a hands-on course; online CPR courses will not be approved by the Board for initial CPR certification.

1. Have you taken and passed the 2002 or later TMOD section of the NBEO examination _____? - or -
Have you taken and passed an approved 23-hour didactic NTPA course which is approved by the Board _____?
If so, please furnish the appropriate documentation.

2. Have you taken and passed a Nontopical TPA workshop of at least seven hours or had equivalent training acceptable to the Board _____? If so, please furnish the appropriate documentation.

3. Have you acquired an American Heart Association's BLS Healthcare Providers level CPR certification or its equivalent per OAR 852-080-0040 _____? If so, please furnish a copy of your current CPR card. An online course is not approved for initial ATI certification.

Enclose a check payable to the Oregon Board of Optometry in the amount of \$75. Mail application, documentation, and check to the Board's office at the following address:
