

## **Eastern Promise Replication Grant Program**

### **581-017-0350**

#### **Definitions**

The following definitions apply to OAR 581-017-0350 to 581-017-0362:

- (1) “Consortium” means the equal partnership developed to form the cross-sector collaboration between eligible educational institutions.
- (2) “Proximity” means the four-year institution participating in the program will have a branch campus located within 150 miles of their community college partners’ regional borders.
- (3) “Private post-secondary institution” means” an Oregon-based, generally accredited, not-for-profit institution of higher education.
- (4) “Public post-secondary institution” means:
  - (a) The following public universities within the Oregon University System:
    - (A) University of Oregon.
    - (B) Oregon State University.
    - (C) Portland State University.
    - (D) Oregon Institute of Technology.
    - (E) Western Oregon University.
    - (F) Southern Oregon University.
    - (G) Eastern Oregon University.
  - (b) Oregon Health and Science University.
- (5) “Significant population” means to serve the majority of underserved students within the consortiums region.
- (6) “Underserved student” means a student (English language learner, student of color, an economically disadvantaged student or a student with disabilities) who has not historically taken high school accelerated courses and may not have considered enrolling in a post-secondary education program.
- (7) “Variety” means students having access to a choice of courses offered in core academic subjects, in different forums (which include yet are not limited to distance learning, high school campus, college campus, by proficiency assessment or through credit for prior learning), that are eligible for transfer.

#### **Eastern Promise Replication Grant Program Establishment**

- (1) The Eastern Promise Replication Grant is established as part of the Connecting the World to Work Program Strategic Investment under ORS 327.820.
- (2) The purposes of the grant are to:
  - (a) Connect students to the World of Work;
  - (b) Develop consortiums of school districts, education service districts and post-secondary institutions of higher education committed to developing innovative and flexible pathways for students in grades 6 through 12 and in community colleges; and
  - (c) Distribute moneys to consortiums that include at least three school districts, at least one education service district, at least one community college and at least one public or private post-secondary institution to design and deliver individualized, innovative and flexible ways of

delivering content, awarding high school and college credit and providing development education for students in high school or in the first two years of post-secondary education.

#### **Implementation of Grant Funding**

(1) The Department of Education will make awards between \$465,000 and \$650,000 (adjusted by justifiable need) for use during the 2014-2015 school year for replication of the Eastern Promise program.

(2) The Oregon Department of Education shall establish a request for proposal solicitation and approval process to be conducted for the Eastern Promise Replication program funds. All proposals will comply with the requirements of ORS 327.800 and 327.820(3)(a)(D) and rules adopted to implement those sections.

(3) Awards will be based on the following criteria:

(a) Whether the proposal identifies how the funds will be used to reach the 40-40-20 goal by replicating the core pillars of Eastern Promise early college experiences and Professional Learning Communities.

(b) Whether the applicant proposal demonstrates support, commitment and readiness to design or revise programming specifically for offering early college experiences and developing Professional Learning Communities.

(c) Whether there is a commitment to cross-sector collaboration between a university, community college(s), education service district(s), and districts where each partner is engaged as an equal partner.

(d) Whether there is a commitment to providing students with a variety of accelerated learning opportunities, such as on-campus experiences, dual credit, Advanced Placement, International Baccalaureate, and to ensuring students receive support and specific instruction around the knowledge, skills and behaviors necessary to be successful in college-level coursework.

(e) Whether there is a commitment to developing cross-sector professional learning, including faculty and teachers from the university, community college and ESD/high schools of like disciplines. The consortium will ensure that all levels of instruction are represented and participate in discussing and establishing the appropriate curriculum, and in developing appropriate and shared assessment parameters to measure outcomes.

(f) Whether there is a commitment to building a college-going culture, which refers to the environment, attitudes, and practices in schools and communities that encourage students and their families to obtain the information, tools, and perspective to enhance access to and success

in postsecondary education. The applicant should describe a plan for one or more, programs servicing students, beginning in middle grades, that:

- (A) Helps students learn about options for their future, careers and the education they require;
  - (B) Convey the expectation that all students can prepare for the opportunity to attend and be successful in post-secondary education; and
  - (C) Ensure schools, families, and communities give students the same message of high expectations for their future.
- (4) The Department shall give priority to proposals that meet the minimum criteria and:
- (a) Provide a sustainability plan to continue the program for at least two years after the program funding has ended.
  - (b) The extent to which the applicant clearly documents its capacity to implement and carry out programming to replicate pillars of the Eastern Promise program.
- (5) The Department of Education shall allocate funds for the grant program based on the evaluation of the grant application and the following considerations:
- (a) Programs representing the core pillars of the Eastern Promise Early College Experience.
  - (b) Programs that exhibit innovative and flexible ways of delivering content, awarding high school and college credit and providing development education for students in high school or in the first two years of post-secondary education.
  - (c) The number of students the Early College Experience program will serve.
  - (d) Programs with a detailed process to identify, enroll, support and retain underserved students.
  - (e) Programs that have a high level of underserved students who historically have not taken high school accelerated courses.
  - (f) Geographic locations of the program organization to ensure geographic representation of the targeted student groups are included throughout the state.
- (6) Each award may be between \$465,000 and \$650,000 which shall be given during the following phases based on a detailed budget narrative and budget template:
- (a) Planning and Implementation phase
  - (b) Evaluation phase.
- (7) Grant recipients shall use funds received for the planning, implementation, and evaluation phases of the grant for activities outlined in the request for proposal.
- (8) Grant recipients must be able to expend the funds for allowable purposes specified in the request for proposal within the grant timeline according to acceptable accounting procedures by June 30, 2015.
- (9) Grant recipients will document and account for each student enrolled in and completing accelerated college courses before the final distribution of grant funds.
