School District Collaboration Grant Program

581-018-0100

Definitions

The following definitions apply to 581-018-0100 to 581-018-0125:

(1) “Blueprints” means a description of the components of a school district’s strategies for implementation and integration of the four areas: career pathways, evaluation processes, compensation models and enhanced professional development for teachers and administrators.

(2) “Career pathways” means descriptions of professional career achievement and advancement (e.g., Novice, Emerging Professional, Master Teacher) or specialized roles (e.g., Mentor Teacher, Master Teacher), and opportunities to increase professional responsibilities.

(3) “Compensation models” means alternative salary advancement systems based on a variety of elements aside from seniority (e.g., weighed systems based on professional involvement, increased expertise).

(4) “Design grants” means grants intended for districts or consortia of districts to create blueprints for implementation that integrate the four areas of: career pathways, evaluation processes, compensation models and enhanced professional development.

(5) “Enhanced professional development” means professional learning opportunities that are ongoing, collaborative in nature, and aligned to the needs of educators identified through the evaluation process and student data.

(6) “Evaluation processes” means an educator performance evaluation system based on collaboration, that includes, but is not limited to standards of professional practice, four-level rubrics, multiple measures of professional practice, professional responsibilities and student learning and growth, an evaluation and growth cycle and professional learning aligned to student and educator performance data.

(7) “Implementation Grants” means grants intended for districts or consortia of districts to implement their blueprint designs.

Criteria

(1) The Oregon Department of Education shall establish a request for proposal solicitation and approval process to be conducted each biennium for when District Implementation and Design Collaboration grant funds are available. The Department shall notify eligible applicants of the proposal process and the due dates, and make available necessary guidelines and application forms.

(2) All proposals must comply with the requirements of ORS 329.838, ~~section 1, chapter 661, Oregon Laws 2013 (Enrolled House Bill 3233) and ORS 342.950~~ and rules adopted to implement those laws. Grants shall be awarded based on whether the grant application identifies how the funds will be used to improve education outcomes identified by the ~~Oregon Investment Board, contained in achievement compact~~ Department of Education or set forth in ORS 351.009.

(3) Prior to applying for a grant, the school district must receive the approval to apply for the grant from:

(a) The exclusive bargaining representative for the teachers of the school districts, or if the teachers are not represented by an exclusive bargaining representative, from the teachers of the school districts;

(b) The chairperson of the school district board; and

(c) The superintendent of the school district.

(4) Districts shall establish a collaborative leadership team to oversee the design and implementation process. The collaborative leadership team shall include the exclusive bargaining representative for the teachers of the school district or, if the teachers are not represented by an exclusive bargaining representative, the teachers of the school district.

(5) Districts shall display readiness and eligibility for an implementation grant by submitting detailed blueprints, developed collaboratively by teachers, administrators, and the teacher bargaining unit, in the four required areas:

(a) Career pathways processes for teachers and administrators;

(b) Evaluation processes for teachers and administrators;

(c) Compensation models for teachers and administrators, and

(d) Enhanced professional development opportunities for teachers and administrators.

(6) The Department of Education shall award design and implementation grants based on the evaluation of the district application, eligibility criteria, and the following considerations:

(a) Geographic location of districts to insure geographic diversity within the recipients of grant program funds throughout the state;

(b) Districts that have an achievement gap as defined in 581-018-0005;

(c) Districts that have a high level of economically disadvantaged students as defined in 581-018-0005.

Implementation Grant Funding

(1) The Department of Education shall determine for each fiscal year the total amount available for distribution to school districts as implementation grants.

(2) The Department of Education shall determine the grant amount to be awarded to each district that is eligible to receive a grant based on the following formula:

Grant Amount = school district ADMw x (the total amount available for distribution for an implementation grant in a fiscal year through the School District Collaboration Grant Program / the total ADMw of the School Districts that receive an implementation grant for the fiscal year.

(3) Notwithstanding subsection (2) of this section, a school district may receive a grant for an amount that is 10 percent more than the amount calculated under subsection (2) of this section if the Department approves a school district's supplemental plan to design and implement new approaches to improve student achievement that are in addition to the approaches identified in OAR 581-015-0110(5) and that are research-based best practices.

(4) In addition to any amounts received under subsections (2) and (3), a school district that has an average daily membership of less than 1,500 may receive a supplemental amount of up to \$50,000 if:

(a) The supplemental amount is used for expenses incurred in relation to a grant manager

who:

(A) Manages the use of a grant received under this paragraph;

(B) Supports the school district's committees related to the grant;

(C) Monitors and measures the implementation of new approaches funded by the grant;

(D) Ensures timely and accurate communications with educators in the school district;

(E) Completes all Department of Education requirements related to the grant; and

(F) Attends meetings and collaborates with other school districts; and

(b) The total of the implementation grant and the supplemental amount does not exceed \$150,000.
