

Create an Extended Enterprise Account

Step 1: Visit the Extended Enterprise Learner Resource page

The Extended Enterprise Learner (EEL) Resources page (<https://www.oregon.gov/das/HR/Pages/WDL-EEL-Resources.aspx>) will provide information about training available to learners that are not employees or contingent workers for the state of Oregon. These learners have business with the state or are required to take state provided training.

The screenshot shows the Oregon State website's "Extended Enterprise Learner Resources" page. The page has a blue header with navigation links: Home, Verify employment, News & notices, Forms, Policies, and Contact Us. Below the header, the breadcrumb trail reads: Department of Administrative Services > Employee resources and state workforce > Extended Enterprise Learner Resources. The main heading is "Extended Enterprise Learner Resources". On the left, there is a sidebar menu with "HR HOME" selected, and other options: HR SERVICES FOR CLIENT AGENCIES, LABOR RELATIONS, RECRUITMENT, STATE JOBS, WORKDAY OREGON, and WORKFORCE DEVELOPMENT. The main content area starts with a welcome message: "Welcome to the Extended Enterprise Learner (EEL) Resource page!". It then provides information about an update to the EEL Account Creation process, scheduled for Thursday, June 8th at 6pm. The page explains that users should review training documents and locate appropriate programs. It also mentions that users with existing Workday Learning accounts should reach out to learning support for assistance with signing into an existing account. A section titled "New EEL's" includes "Account Creation Links" for "Oregon Procurement Training". This section lists certifications: Contract Administration Training Certificate, Oregon Procurement Basic Certification (OPCB), Oregon Procurement Intermediate Certification (OPIC), Oregon Procurement Advanced Certification (OPAC), and Pay Equity Training. It notes that users should use a link to create their Workday Learning account and access courses, with a "Link Coming Soon" message. Below this, there are two more sections: "Project Management and Business Analysis for Other Governmental Entities" and "OHA | WIC Affiliation", both with "Link Coming Soon" messages.

Welcome to the Extended Enterprise Learner (EEL) Resource page!

Starting at **6pm on Thursday, June 8th** we are updating the EEL Account Creation process. We anticipate this work taking approximately 3 hours, as soon as our work is complete this page will be updated to allow for EEL accounts to be created again.

While you wait, review this document to become familiar with the account creation process. You and also take a look at the information provided about training provided by different agencies and locate the training program that is appropriate for you.

Think you may already have a Workday Learning account with the state of Oregon, reach out to the [learning support](#) for the agency that provides your training for assistance with signing into an existing account. Please do not create duplicate accounts, we are not able to merge accounts causing you to have an incomplete training record.

If you are looking for resources about signing into your existing Workday Learning account, how to find training, or viewing your learning history, including downloading completion certificates, review the Knowledge Articles and Job Aids section that immediately follows the New EEL Account Creation Links section.

Success!

Your account request has been submitted for review.

If you are requesting an account outside of regular business hours, your request will be reviewed the *following business day*.

If during the review process it is discovered that you already have and EEL account, you will receive an email notification with next steps from the reviewer.

Step 3: Sign into your Workday Learning account

You will receive two emails, either:

- two from Workday, one with your Username and one with your temporary password.
- one from Workday with your temporary password and one from the agency reviewer with your Username.

Follow the instructions provided in those messages.
