NA = Data not available
Goal A: Promote a sound legal system, effective and adequately funded government, leading-edge research, and sound environmental, economic, and social policies

A.c. Compliance with forestry regulations

**Desired trend:**
High levels of compliance with Oregon Forest Practices Act.
Clear public policy expectations for private forest landowners' contributions to the protection and maintenance of public forest resource values.
High levels of compliance with management plan standards and guidelines on Oregon federal forestlands.
