Mission

The Deschutes Land Trust works cooperatively with landowners to conserve land for wildlife, scenic views, and local communities.
What we do

Conserve and protect land in Central Oregon for Central Oregonians.

We protect more than 8,200 acres in our region for today, tomorrow and for generations to come.

Private Forests at Risk

The Threat:

- Rapid Conversion of Private Commercial Timberland
- Loss of Jobs, Impacts to Wildlife, Fire, Views, Recreation
- Communities Unprepared to Respond

The Opportunity:

- Working Forest Conservation Acquisitions
  - Conservation Easements
- Community Forests
- Agency Acquisitions
