Review Guidelines, and User Guide

- **Appendix M**
  - CE language checklist

- **Appendix G**
  - Program recoded keeping
Early Involvement of Federal Appraiser
Have a completed ready CE before the pre-appraisal meeting
Review minerals determination (if mineral rights are severed)
Review that title work is correct
Have copy of amicably agreement letter
Invite regional program manager to pre-appraisal meeting

It’s a partnership
Provide draft copies of CE, deeds so program manager can review mandatory language and restrictions
Verify project has 25% non-federal cost share and 75% forest
