

Match up on Get There during Bend North Corridor Construction

The Bend North Corridor Project will improve traffic congestion on U.S. 97 and U.S. 20 in Bend. Construction of improved intersections, new ramps, and walking and rolling facilities will be completed in 2024. Construction work has begun along US 20 and will be increasing in the coming months.

Are you impacted by the Bend North Corridor Project for work, school, or play? In partnership with ODOT, Commute Options is helping people get where they need to go. Check out your ridematch options! Make new friends, save gas, and share the ride. Go to getthereoregon.org to learn more.

Registration is free and simple!
Contact kim@commuteoptions.org if you have questions.
