## TRAFFIC ADVISORY

### Construction closes I-84 ramps at Bonneville Dam

Construction work will close the eastbound Interstate 84 off-ramp to Bonneville Dam Tuesday, June 15 from 6 a.m. to 6 p.m. During the ramp closure, signs will direct eastbound drivers to continue east to Cascade Locks (exit 44), where they can access I-84 westbound and return to the Bonneville Dam off-ramp at exit 40.

#### Westbound on-ramp closures

The Bonneville Dam westbound on-ramp to I-84 is closed weekdays until Friday, June 18. Signs direct westbound drivers to detour east on I-84 to at Cascade Locks (exit 44), where they can access I-84 westbound. The ramp is open on weekends, and will not impact visitors to Bonneville Hatchery's June 12 "Passport to Fishing" event to celebrate Free Fishing Weekend.

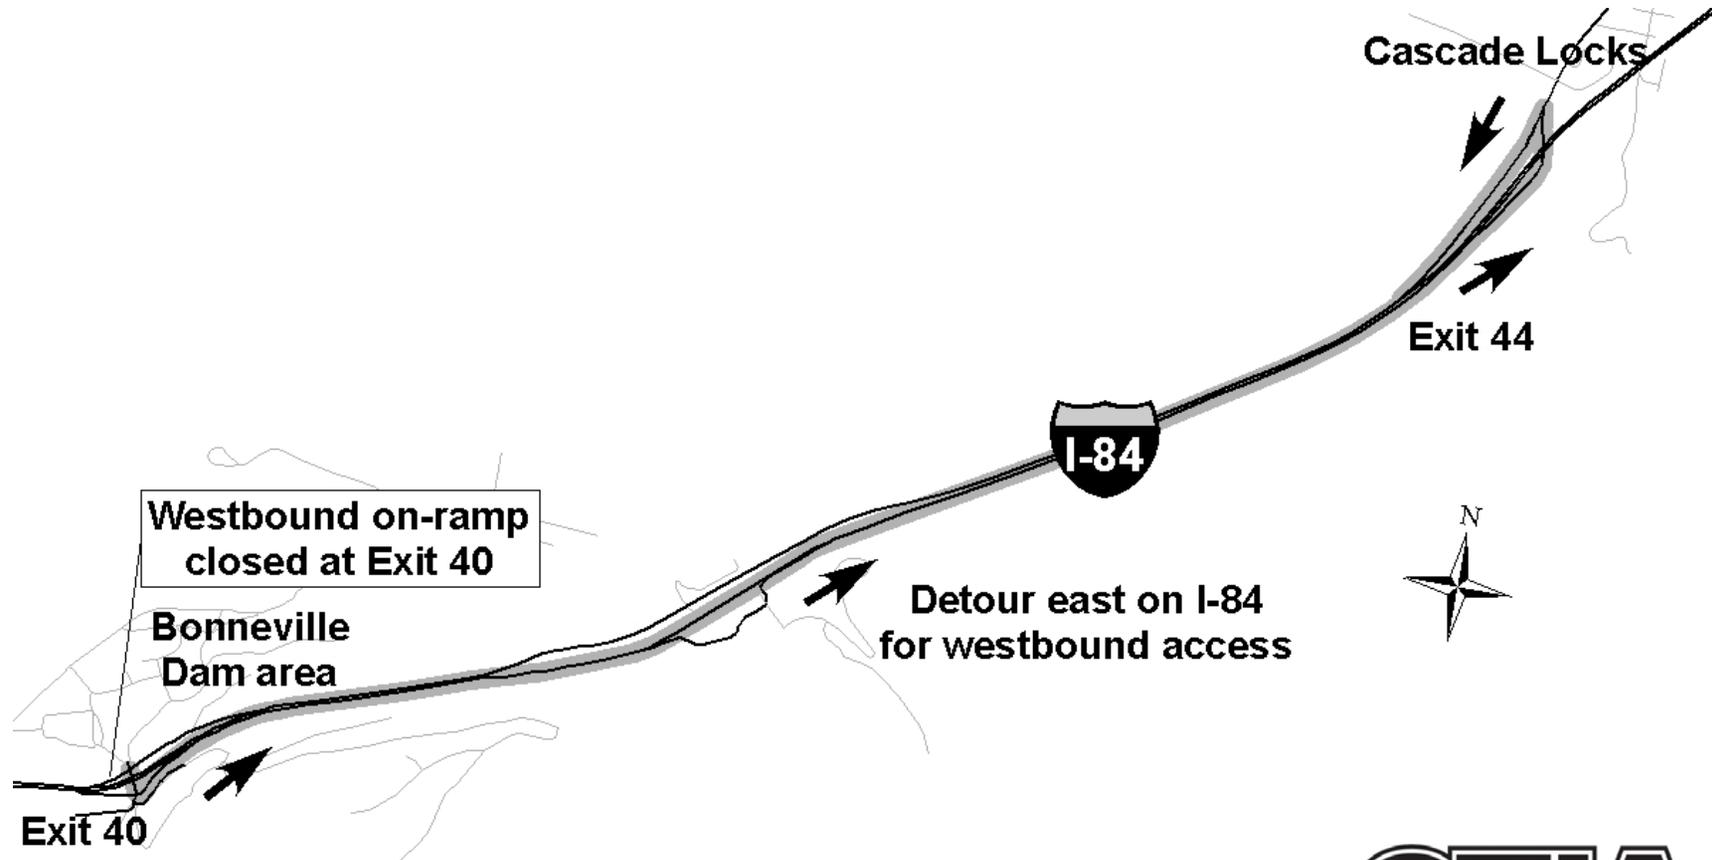

Bonneville Dam and Bonneville State Fish Hatchery and the Tooth Rock Trailhead remain open to the public during the ramp closures. The closures do not affect freeway traffic. However, the pedestrian trail between Tanner Creek and Moffett Creek remains closed for construction until ramp repairs are complete.

This work, funded by the Oregon Transportation Investment Act, is part of a project replacing the eastbound bridge over Moffett Creek, repairing the eastbound I-84 overpass at Dodson and repairing the I-84 bridges in each direction over Tanner Creek.

Drivers should visit [www.TripCheck.com](http://www.TripCheck.com) or call 511 for current traffic advisories.
