**Key Performance Measures (KPM)**

The ODOT Performance Dashboard is an easy way to locate information about any measure and see at a glance the One Page Overview Status of all measures.

The Key Performance Measures used during Fiscal Year 2009-2010 are reported in the budget document and the 2010 Annual Performance Report. The dashboard report includes a summary of those measures and provides links to more thorough discussions from the Annual Report. Use the links in the column to the left to view the Annual Performance Progress Reports dating back to 2003.
