Public Employees’ Benefit Board
Oregon Educators Benefit Board
2015–2017 Budget Overview

Presentation to the Human Services Legislative Subcommittee on Ways and Means
March 30, 2015
Lynne Saxton, OHA Director
Kathy Loretz, PEBB and OEBB Interim Administrator
Paul McKenna, PEBB Chair
Rick Shidaker, OEBB Chair
Transforming health care in Oregon
PEBB’s Success: beating the trend

- Oregon Medical/RX Trend
  - Premium Composite Trend
  - Avg premium increase per enrolled employee

Yearly rate changes: 1.2%, 10%, 8%, 6%, 4%, 2%, 0%, -2%
OEBB’s Success: beating the trend

OEBB has stayed below Oregon’s medical trend for all but one of its plan years.

- 2009-10: 11.2%
- 2010-11: 17%
- 2011-12: 8.2%
- 2012-13: 7.3%
- 2013-14: 3.8%
- 2014-15: 6.5%
Benefit boards align with better health, better care, lower costs

Oregon Health Authority’s vision of a healthy Oregon and improving member health by:

• Advancing the patient-centered primary care home structure
• Supporting prevention and wellness
• Encouraging wise use of health care resources
• Promoting alternative payment methodologies pilots
Benefit boards align with better health, better care, lower costs

Oregon Health Authority’s vision of a healthy Oregon and enhancing quality of care by:

• Promoting quality care based on evidence and outcomes
• Using quality measures in the 2015 medical contracts
• Contracting with health systems that are accountable for performance
• Modifying vendor and carrier contracts
Benefit boards align with better health, better care, lower costs

Oregon Health Authority’s vision of a healthy Oregon and lowering or controlling costs by:

- Designing value-based benefits that encourage consideration of effective alternatives
- Using reference-based pricing
- Enhancing benefit management systems
- Aligning with OHA in contracting and purchasing
Challenges

Controlling premium costs:
- Inflation in health care costs and medical trend drive program costs
- Aging populations
- Biennial health risk survey shows both groups have
  - About 10 percent of population with chronic conditions
  - Majority have sedentary occupations

Member engagement and education:
- Helping members understanding the value of better care coordination
- Encouraging members to fully use available health and wellness programs to:
  - Improve their health
  - Reduce health risks
Behavioral Risk Factor Surveillance System for state employees (BSSE) – PEBB cigarette smoking and obesity

- Smoking: 9.9%, 8.8%, 4.1%, 4.1%
- Obesity: 30.3%, 28.1%, 23.9%, 22.2%
Behavioral Risk Factor Surveillance System for school employees (BSSE) – OEBB cigarette smoking and obesity

- 2009: 27.6% smoking, 5% obesity
- 2011: 22.3% smoking, 4.9% obesity
- 2013: 23.4% smoking, 4.8% obesity
Behavioral Risk Factor Surveillance System for state employees (BSSE)- PEBB Colorectal screening and health status

- 2007: 58.8%
- 2009: 69.3%
- 2012: 65.1%
- 2014: 70.5%

Colorectal cancer screening
Reported health status
Behavioral Risk Factor Surveillance System for school employees (BSSE) – OEBB colorectal screening and health status

- 2009: 60.3% colorectal cancer screening, 70.4% reported health status
- 2011: 68.2% colorectal cancer screening, 70.7% reported health status
- 2013: 75.0% colorectal cancer screening, 69.9% reported health status

New in 2015 - Improved care coordination

• PEBB members now have a choice between two or more medical plans in all 36 Oregon counties.
• Most plan choices are available at a lower cost to both members and the state.
• Plans are required to meet and report high quality measures of care by:
  – Prioritizing health and prevention services
  – Managing costs by cutting waste and requiring health plans and providers to be efficient, coordinated and focused on the patient
PEBB medical plan highlights

Most 2015 medical plans:
• Offer the first four visits to primary care, with no deductible
• Cover the full cost of certain chronic condition visits, with no deductible, copayment or coinsurance

All 2015 medical plans:
• Cover nationally recommended preventive services
• Limit out-of-pocket costs:
  – $600/person, up to $1,200/family – Kaiser
  – $1,500/person, up to $4,500/family – all other plans

2015–17 Governor’s budget
Stabilization Fund

- Total 2015–17 budget: $1.64 billion
- Inflation growth is capped at 3.4 percent annually
- 2015–17 Governor’s budget actions:
  - Healthiest state challenge in partnership with Oregon businesses
  - $120 million in Stabilization Fund Reserve transferred to General Fund to offset compensation changes in the Special Purpose Appropriation to the Emergency Fund
  - Net Stabilization Fund Reserve is still an adequate working capital balance for PEBB’s self-insured plans.

Who OEBB Serves

The Oregon Educators Benefit Board (OEBB) administers medical, vision, dental, long term care, and optional benefits available to Oregon:

- School Districts (190)
- Educational Service Districts (20)
- Charter Schools (20)
- Community Colleges (13)
- Counties (2)
- Special districts (2)

Passage of House Bill 2279 (2013) enabled cities, counties and special districts to join the OEBB & PEBB benefit programs effective January 1, 2014.
OEBB revenue sources

• **Oregon Educators Benefit Account** operating funds
  – Generated through administrative assessment built into medical, dental and vision premiums
  • Capped at 2 percent of total monthly premiums
  • Currently at 0.90 percent

• **Oregon Educators Revolving Fund**
  – Pay premiums, control expenditures, provide for self-insurance and subsidize premiums
  – Only dedicated revenue source is interest earnings retained on premium-collection pass-through
