

The following list of courses is provided in compliance with Oregon Senate Bill 48. All provide education regarding suicide prevention and intervention and feature information about assessment, treatment and/or management. The Oregon Health Authority does not endorse any specific suicide prevention and intervention training or provider. This list is intended to be used as a resource. We will be updating it quarterly. Please email Suicide Intervention Coordinator Ann Kirkwood (ann.d.kirkwood@state.or.us) if you are aware of additional courses that should be listed or you find an error in this list.

Many of the courses provide continuing education units for a variety of licensed professionals. Contact the provider and your licensing board to determine whether the course qualifies for continuing education credit in your profession.
