Oregon's 1115 Medicaid Waiver

Oregon 1115 Waiver Goals

GOALS

- Address and advance health equity
- Create a more equitable, culturally- and linguistically-responsive health care system
- Ensure people can maintain their health coverage
- Improve health outcomes by addressing health-related social needs
- Ensure smart, flexible spending for health-related social needs (HSRN) and health equity

Healthier Oregon OHP members are included in 1115 waiver benefits!

Key Accomplishments

Accomplishments:

- Received CMS approval of the Health-Related Social Needs (HRSN) Services Protocol on 02/01.
- HRSN Infrastructure (Community Capacity Building Funds) Protocol and DSHP Claiming Protocol were approved by CMS on 01/05 and 01/19 respectively.
- The CCO Contracting team finished the CCO amendment for both the Medicaid and non-Medicaid contracts for the climate benefit and shared them with CCOs on 01/24.*
- Climate rules were filed with the Secretary of State (SOS) on 01/23.*

^{*}Contracts and rule will be updated with technical changes to align with the CMS-approved HRSN Services Protocol.

What are Health-Related Social Needs?

Health-Related Social Needs (HRSN): The social and economic needs that impact an individual's ability to maintain their health and well-being. For example, affordable housing and utilities, access to diverse, healthy foods, and support accessing benefit programs.

HRSN services that will be provided:

- Housing support
- Nutrition support
- Climate-related needs
- Outreach & engagement

HRSN-Specific Funding Components

\$119 million approved for grants for infrastructure and capacity building called **Community Capacity Building Funds** to HRSN providers (e.g., community-based organizations, social service agencies, tribal providers, others).

\$904 million available for **HRSN services** to eligible individuals, including:

Housing Supports

Nutrition Supports

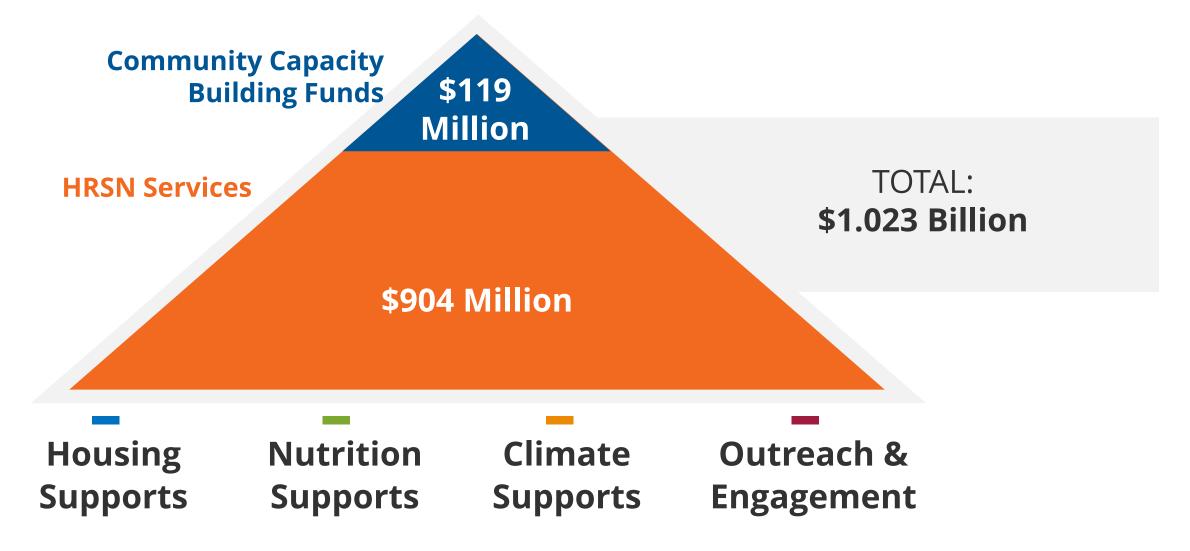

Climate Supports

Outreach & Engagement

HRSN-Specific Funding Components

HRSN Service Area Overview

Climate: These supports include air conditioners for heat risks, air filtration devices to protect against wildfire smoke, portable heaters, mini refrigeration units for medications, and portable power supplies to operate medical devices during power outages.

Housing: The supports focus on members at risk of houselessness. Eligible members could be connected to rental and utilities assistance, tenancy support, and one-time moving costs.

Nutrition: These supports include services such as prescriptions for fruits and vegetables or paying for medically tailored meals.

Outreach & Engagement: These supports include outreach and linkages to other Medicaid or non-Medicaid benefits, especially for individuals within eligible HRSN populations.
