Dear [FIRST]:

The 2022 Open Enrollment period has ended. **Our records show you did not save healthcare plan selections in the MyOEBB system during this year's required open enrollment; therefore, effective October 1, 2022, you have no medical, dental or vision coverage through OEBB.** Any optional plan enrollments, such as life insurance, AD&D, disability or long-term care coverage from 2021-22 will continue uninterrupted.

If you are concerned about your lack of enrollments, please contact your employer immediately. If you are a COBRA participant, please contact BenefitHelp Solutions (BHS) at 1-800-556-2230.

To review your current enrollments or print your benefits statement, log into OEBBenroll.com.

Please visit the **Required Notices** page (www.oregon.gov/oha/OEBB/Pages/Required-Notices.aspx) of the OEBB website to access documents OEBB is required to provide its members, including:

- **Medicare Creditable Coverage Notice** – *All Kaiser Permanente Medical Plans (1, 2A, 2B, 3, & Bronze) as well as Moda Health Medical Plans 1 – 7 are considered creditable coverage for the 2022-23 plan year.*
- **Medicare Non-Creditable Coverage Notice** – *The Moda Health Bronze Plan is considered non-creditable coverage for the 2022-23 plan year.*
- **Notice of Women's Health and Cancer Rights**
- **Consolidated Omnibus Budget Reconciliations Act (COBRA) Notice**
- **Medicaid and the Children's Health Insurance Program (CHIP)**
- **Newborn & Mothers' Health Protection Act Notice**
- **Notice of Special Enrollment Rights**
- **Provider Choice Rights Notice**
- **Timing Extensions for HIPAA special enrollment, COBRA, ERISA claims & appeals**
- **Summaries of Benefits and Coverage (SBC's)**

If you have any questions about this letter, please call OEBB Member Services at 1-888-469-6322, or send an email to oebb.benefits@odhsoha.oregon.gov.

Thank you,

Linda Freeze
Benefits Manager, Oregon Educators Benefit Board
