

**Partnership and Innovation**  
Public Employers Health Purchasing Committee  
April 25, 2011

**Alison Goldwater, Vice President, Provider Services**  
**Csaba Mera, MD, Executive Medical Director**

## Shared Principles

- Improved healthcare experience for all Oregonians
- Changing the economic model
- Successful implementation of federal and state reforms

## Regence & OHPB Goals are Aligned

### Administrative Simplification

- Millions of monthly transactions already electronic
- Active participation and support of OHLC activities

### Patient Safety

- Patient safety contract and reimbursement amendments: all contracts by January 2010
- Continuous monitoring: Never Events & HACs

### Standardized Payment Methodologies

- Regence methodologies already standardized to CMS current year DRG versions
- 80% of inpatient hospital payments paid with current MS-DRG's
