

Public Health Modernization rulemaking  
 Workgroup 2: Accountability metrics, incentives and matching funds

Reference documents:

- [Oregon Revised Statutes, Chapter 431](#)
- [HB 2310 B-Engrossed](#)
- [Statewide Public Health Modernization Plan](#)

Consider the following questions while reviewing the “Concepts for administrative rules” column:

1. What specific considerations do workgroup members want to see reflected in administrative rules for accountability metrics, incentives and matching funds?
2. Are there statutory requirements for accountability metrics, incentives and matching funds that do not appear to be addressed in this matrix?

	Statutory Reference	Concepts for administrative rules	Concepts for contractual requirements
Accountability metrics	ORS 431.380: Funding of Local Public Health Authorities  HB 2310 B-Engrossed. Section 2, 3 and 4	Require LPHAs to submit accountability metrics data in the manner prescribed by OHA.  Adopt process for identifying, updating and applying accountability metrics.	Describe timeline and process for LPHAs to submit accountability metrics data.  Describe OHA responsibilities to collect, analyze, validate and report on accountability metrics.
Incentives	ORS 431.380: Funding of Local Public Health Authorities  HB 2310 B-Engrossed. Section 6	Require that incentive payments are made, to the extent that funds are available, based on achievement of benchmarks or improvement targets on accountability metrics.	

		Require that OHA work with the Public Health Advisory Board to update mechanism for awarding incentive payments through the funding formula biennially.	
Matching funds	ORS 431.380: Funding of Local Public Health Authorities	<p>Require LPHAs to submit county expenditures data in the manner prescribed by OHA.</p> <p>Require that matching fund payments are made, to the extent that funds are available, based on data that shows county investments in foundational capabilities and programs.</p> <p>Require that OHA work with the Public Health Advisory Board to update mechanism for awarding matching funds through the funding formula biennially.</p>	<p>Describe timeline and process for LPHAs to submit county expenditures data.</p> <p>Describe OHA responsibilities to collect, analyze, validate and report on county investments for awarding matching funds.</p>
