Other	17	—	—	1	16	—
Multiple complications ³	8	—	1	—	7	—

— Quantity is zero.

¹ Multiple contraceptive methods may be reported for a single patient.

² Reported complications. Categorized as none if no specific complication was reported.

³ Patients having more than one complication are listed here. Their complications are not listed above.

NOTE: Includes reported abortions to Oregon residents including those obtained out-of-state. Because some states (e.g., California) do not record data on residence for abortion patients, not all out-of-state abortions are included.
