

A photograph of Senator Bob Boyer, a Black man with glasses, wearing a light-colored blazer over a dark shirt. He is standing in a library or bookstore, with bookshelves filled with books in the background. He is holding a small white card or pamphlet in his hands.

**I got screened.
Now,
I'm talking
about it.**

Senator Bob Boyer
Portland, Oregon

Screening can prevent colorectal cancer or catch the #2 cancer killer early when it's highly treatable.

Most people get screened because they're encouraged by someone they know and trust.

**So if you've been screened,
please talk about your experience.
And encourage others to get screened too.**

The Oregonian **Health**
Authority

COLORECTAL CANCER
The cancer *you* can prevent.
