

# RCAP Outreach & Well Assessment Workshop

*for Stakeholders Working with Well Owners*

**Thursday, September 14<sup>th</sup> 8:30am – 12:30pm**

**Portland State Office Building, Rm 1-D (1<sup>st</sup> floor)  
800 NE Oregon Street  
Portland, OR 97232**

**Part 1 – Effective Outreach to Private Well Owners**

Learn from other successful outreach programs around the country how to effectively engage well owners about wells and public health protection.

**Part 2 – Resources Available to Educate Well Owners and Stakeholders**

Discover the many great tools and resources available to help raise awareness of private well issues and educate stakeholders about well care.

**Part 3 – How to Evaluate A Well or Spring to Determine Risk and Vulnerability**

Learn straightforward steps to assess the geology, well construction, and site conditions at a private well to help the well owner understand potential risks.
