SBHCs improve health outcomes...

- increased use of vaccination and preventive services
- reduced asthma morbidity
- fewer emergency department visits and hospital admissions
- higher contraceptive use among females
- improved prenatal care and higher birth weights
- lower illegal substance use and alcohol consumption
- reduced violence.

Certified SBHCs in Oregon

As of July 1, 2021:

**78 certified SBHCs
in 25 counties**

- 47 high schools
- 6 middle schools
- 11 elementary schools
- 14 combined-grade campuses

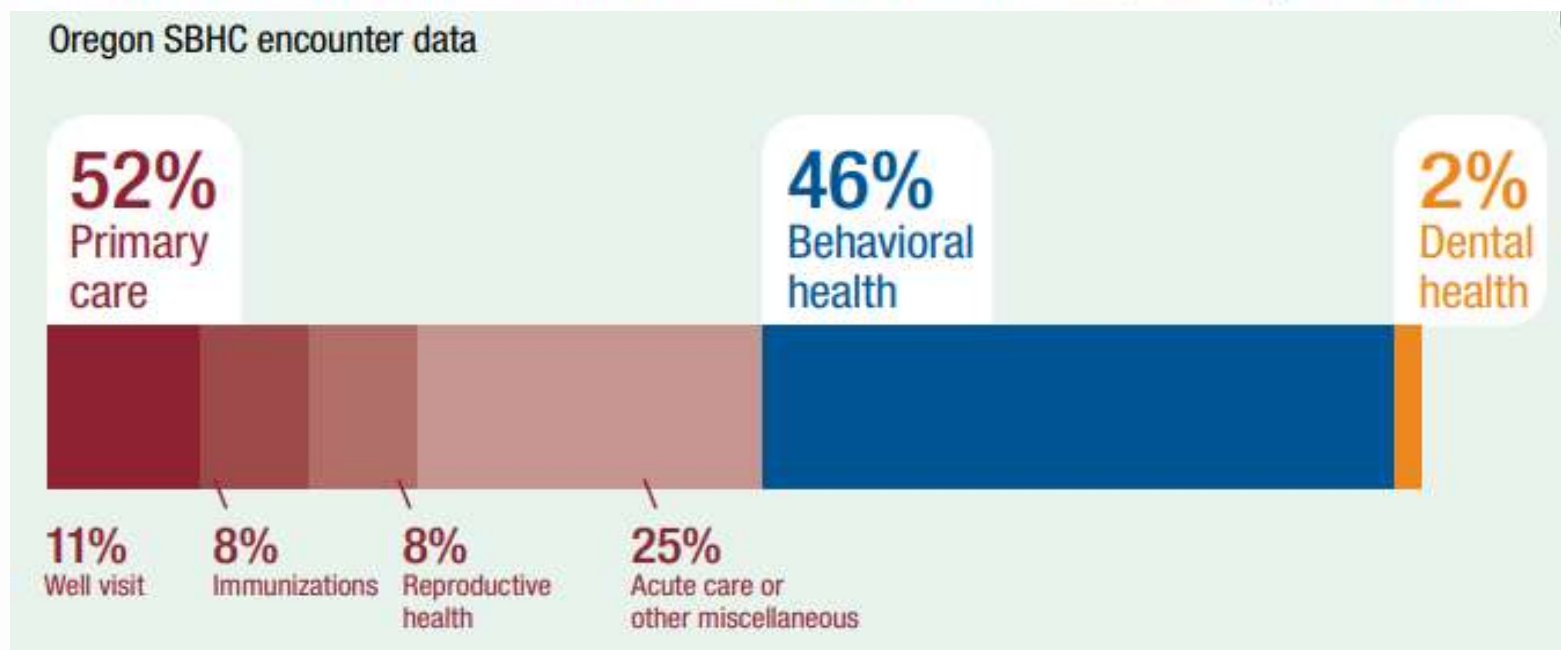

Certified SBHCs in Oregon

- **76%** sponsored by Federally Qualified Health Centers
- **47%** are state recognized as patient-centered primary care homes.
www.primarycarehome.Oregon.gov
- **67%** are in primary care health professional shortage areas.
- **11** SBHCs have a dental provider onsite.
- **97%** of SBHCs have a mental health provider onsite

Certified SBHCs in Oregon

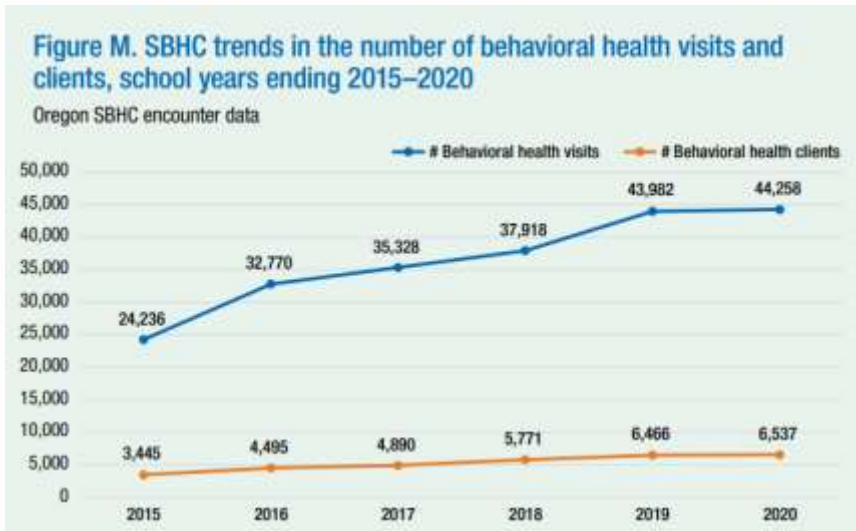

During 2019-2020 service year:

SBHCs serve the whole child. Reasons for SBHC visit, 5–21 years old:

Behavioral Health in SBHCs

- Oregon SBHC model built around primary care.
- Some behavioral health services required onsite, but mental health therapy not currently required onsite.
- SPO continuing to develop SBHC BH model and expectations

97% of SBHCs now have a MH provider onsite

State SBHC funding

State SBHC funding

- SBHC Base Funds
- Mental Health Expansion Grant
- Additional opportunities

SBHC Base Funds

- SBHC Base funding:
 - Certified SBHCs receive \$60,000/year
- Base funding must be used to support SBHC operations, for example:
 - Staffing
 - Service delivery
 - Maintenance
 - Etc.

Mental Health Expansion Grant

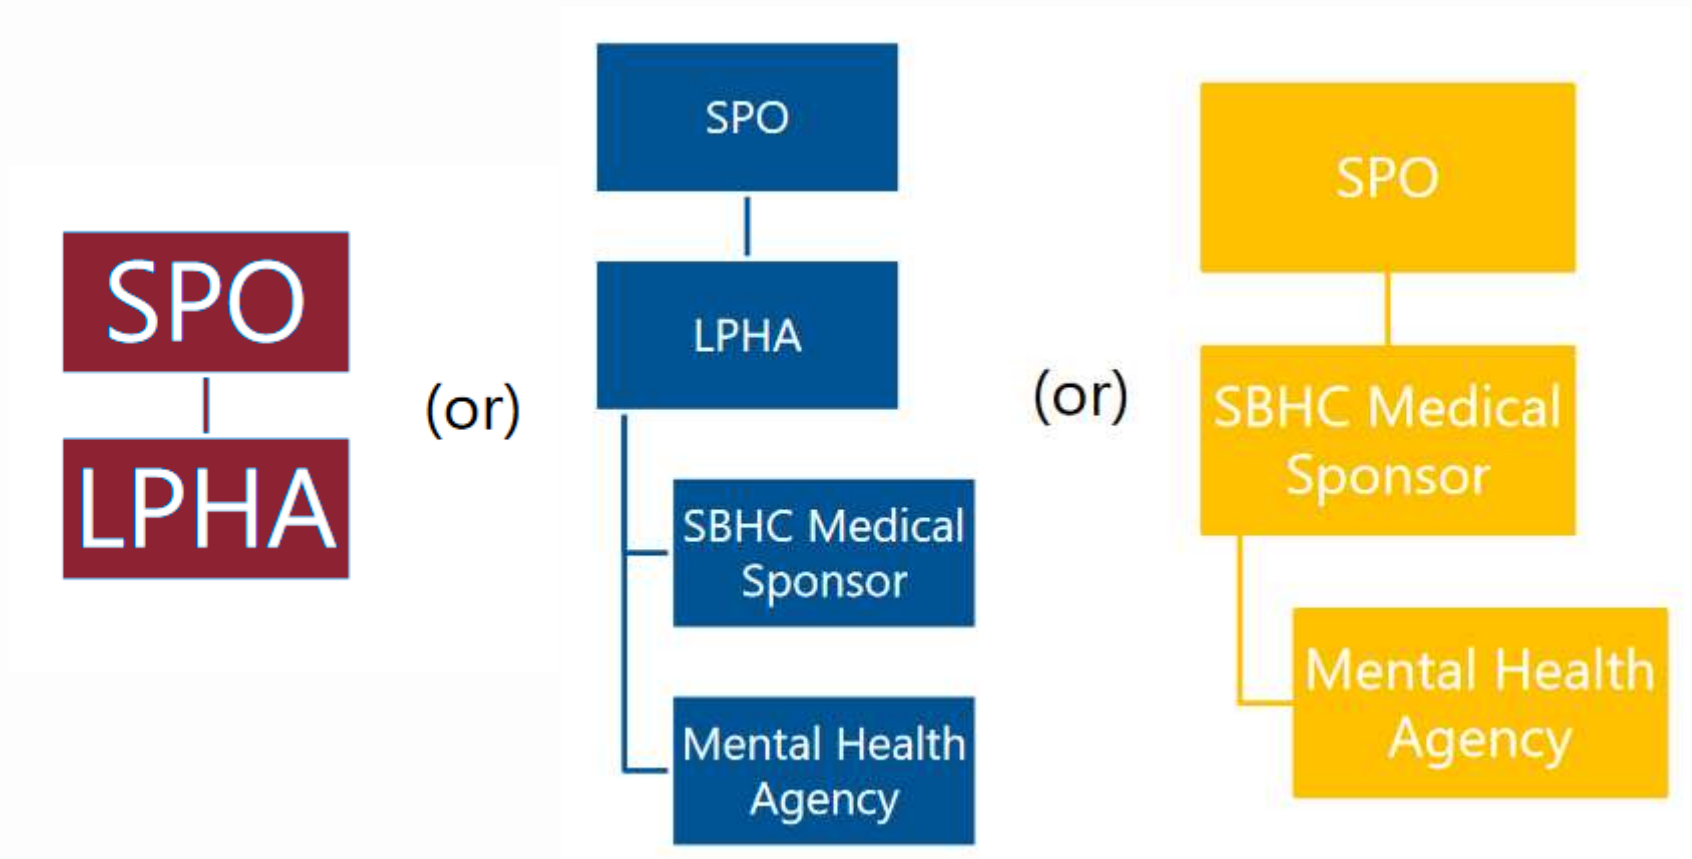

- Capacity grants fund staff time and MH services
 - 65 SBHCs
- Youth-led project grants
 - 25 SBHCs
- Award Amounts Vary

Additional opportunities

- Varies depending on SPO's budget
- Occasional, one-time grants:
 - Supplies
 - Outreach & engagement
 - Youth-centered clinical environments

State SBHC Program Funding

Health
Authority

Standards for Certification

- Section A: Certification process
- Section B: Sponsoring agency
- Section C: Facility
- Section D: Operations/staffing
- Section E: Comprehensive pediatric health care
- Section F: Data collection/reporting
- Section G: Billing
- Section H: Terminology

Role: Sponsoring Agency

- A sponsoring agency is an entity that provides an SBHC or contracts with another entity to provide one or more of the following:
 - Funding
 - Staffing
 - Medical oversight
 - Liability insurance
 - Billing support and
 - Space
- Medical sponsorship requirements shall include:
 - Medical liability coverage
 - Ownership of medical records and
 - Medical oversight

Role: SBHC Site Coordinator

Primary contact between SBHC & SPO

- Help keep SBHC in compliance
- Notify SPO when out of compliance
- Prepare for and attend SPO site visits
- Submit required information to SPO
- Keep Operational Profile up to date
- Attend meetings with SPO
- Forward communications to others within the SBHC

Standards for Certification: Operations/staffing

- SBHCs must be open and offering clinical services (medical, behavioral and/or oral health) a minimum of **three days/week** when school is in session.
- SBHCs must be open for services **at least 15 hours/week**, with availability for same-day and scheduled appointments
- At least one licensed medical professional must be available on-site each day the SBHC is open. (e.g., MD, DO, NP, ND, PA, DMD, EFDA, RDH, RN, LPN and/or QMHP)

Standards for Certification: Operations/staffing

Table 1: SBHC minimum staffing requirements

SBHC staffing type	Minimum hours per week	Minimum days per week
Office/health/medical assistant	15 hours	Unspecified
Primary care provider	10 hours	2 days
Additional health professional (medical/behavioral/oral health)	10 hours	Unspecified

Standards for Certification : Eligibility for services

- All students in the school are eligible for services.
 - Students shall not be denied access to services based on insurance status or ability to pay.
 - Students shall not be denied access to services based on race, color, national origin, religion, sex, gender identity and/or gender expression/presentation, immigration status, sexual orientation, disability or marital status

Standards for Certification:

Comprehensive pediatric health care

- SBHCs provide pediatric health care in line with nationally recognized standards of care, including recommendations from the American Academy of Pediatrics Bright Futures guidelines. SBHC providers should refer to Bright Futures to determine age-appropriate levels of service.
- <https://brightfutures.aap.org>

Standards for Certification: Comprehensive pediatric health care

- b. Table 2 specifies the minimum level of comprehensive pediatric health care services that must be available either:
- (1) **On-site:** Services are available on-site at the SBHIC.
 - (2) **▲ On-site:** Laboratory testing is available on-site as point of care testing.
 - (3) **● On-site:** Laboratory must have ability to collect specimen/sample. Sample may be sent offsite for diagnostic testing.
- or—
- (4) **Referral:** Services and laboratory testing available by referral (if not on-site) with system for tracking referrals and follow-up. Referral sources should be youth-friendly, confidential and available regardless of a client's ability to pay. A list of referral sources must be available to the SPO upon request.

Table 2: Comprehensive pediatric health care minimum requirements

Comprehensive pediatric health care	Minimum level of service required
History	
Comprehensive medical histories	On-site
Measurements	
Height and weight	On-site
Body mass index (BMI)	On-site
Blood pressure	On-site
Sensory screening	
Vision	On-site
Hearing	Referral
Physical health services	
Comprehensive physical exams	On-site
Evaluation and treatment of non-urgent, acute and chronic conditions	On-site
Medical specialty services	Referral
Developmental/behavioral services*	
Health assessment**	On-site
Assessment of educational, achievement and attendance issues	On-site
Developmental assessments	On-site
Psychosocial/behavioral assessment	On-site
Depression screening	On-site
Alcohol and other drug screening	On-site
Alcohol and other drug assessment***	Referral
Prescriptions for mental health conditions	Referral
Individual, group and family counseling and treatment	Referral
Social services assessment and referral	Referral

Comprehensive pediatric health care	Minimum level of service required
Oral health services	
Visual inspection of teeth and gums	On-site
Preventive oral health education and counseling	On-site
Fluoride supplement prescription	On-site
Comprehensive oral health evaluation and treatment	Referral
Reproductive health services	
Reproductive health exam	On-site
Prescriptions for contraceptives†	Referral
Condom availability†	Referral
STI prevention education and treatment	On-site
Pregnancy prevention education	On-site
Prenatal care	Referral
HW counseling	On-site
HW treatment	Referral
Anticipatory guidance	
Provision of age-appropriate anticipatory guidance	On-site
Targeted patient education	On-site
Procedures	
Immunizations	On-site
Urinalysis	▲ On-site
Hematocrit or hemoglobin	▲ On-site
Blood glucose	▲ On-site
Strep throat†	▲ On-site
Pregnancy testing†	▲ On-site
STI screening and testing†	● On-site
HW screening and testing	● On-site
Tuberculosis testing	Referral
Lead screening and testing	Referral
Dyslipidemia screening	Referral

* Behavioral health services include mental health and substance abuse.

** Health assessments may be completed through a health assessment tool or through documented assessment of health risks and strengths (e.g., physical growth and development, emotional well-being, violence and injury prevention, etc.).

*** If not available on-site, a written agreement with the outside provider or agency must be in place to provide services and for sharing information necessary to provide coordinated care.

† SPO recommends on-site access to contraceptives and condoms. Providing access to contraceptives is a clinical best practice recognized by the American Academy of Pediatrics, the Centers for Disease Control and Prevention, and other national and international organizations. However, communities may choose to offer contraceptive services by referral.

‡ Rapid.

§ Urine human chorionic gonadotropin (UHG).

¶ Chlamydia, gonorrhea, syphilis.

Standards for Certification: Billing

- All providers whose provider type is eligible to enroll with the Oregon Health Plan (OHP) must enroll with and bill OHP.
- Providers must be credentialed with and bill private insurance companies for reimbursement whenever possible.
- SBHCs must determine whether their coordinated care organization(s) (CCOs) have mechanisms for maintaining confidentiality when billing for services (e.g., ability to suppress EOBs for confidential visits). If a procedure does not exist, the SBHCs shall work with the CCO to determine the best method for the SBHC to bill for services while preventing inadvertent disclosure of personal health information.

Standards for Certification: Waivers

- SBHCs must notify the program **within 20 calendar days** of any change that brings the SBHC out of compliance
- Waiver must include:
 - an explanation of the non-compliance
 - a plan for corrective action
 - date for meeting compliance.
- SPO will approve or deny the waiver within two weeks of submission.

The screenshot displays the 'SBHC Detail - Web' interface. The top navigation bar includes 'HOME', 'LIST', and 'SBHC ID 753'. The main menu has tabs for 'Details', 'Operations', 'Staff', 'Shift Hours', 'Services', 'Cert Waiver' (selected), 'KPM', 'PH Revenue', and 'MH Revenue'. The 'Certification Waivers' section shows a table with columns: 'Date Created', 'Section Letter', 'Expected Completion', 'Approved', 'Date Approved', and 'Date Resolved'. Two rows are visible: one for 'F: Data Collection/Reporting' and another for 'A: Certification Process'. An 'Add Waiver' button is present. Below the table, there is a 'Waiver Instructions' box. To the right, the 'Certification Waiver Info' form is shown, including fields for 'Submitter Contact' (First, Last, Title, Email, Phone), 'County Contact' (First, Last, Title, Email, Phone), and a section for 'Which standard is not being met?' with a text area for explanation and a date field for 'Expected date of compliance'.

Date Created	Section Letter	Expected Completion	Approved	Date Approved	Date Resolved
Select 7/11/2019	F: Data Collection/Reporting	6/30/2020			
Select 5/30/2019	A: Certification Process	No		6/25/2019	6/24/2019

Waiver Instructions
Instructions on how to fill out a waiver are in the Operational Profile User's Guide located on the State Program Office website under the Certification Standards tab.
To submit the waiver, click the red "WAIVER INFORMATION COMPLETE: Submit to SPO" button ONCE to send the waiver to the State Program Office for review.

Certification Section F: Data Collection/Reporting
Which standard is not being met?
Did not complete required number of student satisfaction survey.
Explanation of why standard is not met:
Staff did not offer students the iPad on a regular basis.
Action plan to meet standard:
Retraining of staff to occur.
Expected date of compliance: 6/30/2020
WAIVER INFORMATION COMPLETE: Submit to SPO

Standards for Certification: Verification Site Visit

- SBHCs **attest** they meet Oregon's Standards for Certification
 - Initial certification application
 - Operational Profile
- SPO conducts a **verification** site visit of each SBHC
 - within one year of application approval
 - every two years for a representative sample of certified SBHCs in each SBHC system.

The "Oregon School-Based Health Centers Standards for Certification, Version 4" outlines the minimum requirements Oregon SBHCs must meet to be certified by the Oregon Health Authority Public Health Division's SBHC State Program Office (SPO). One method of measuring SBHC compliance with certification requirements is an on-site verification review. The SPO conducts on-site verification reviews in accordance with Section A.4 (OAR 333-028-0240).

The SBHC Site Visit Report is a written report of the findings from the on-site verification review. If the site was found to have certification deficiencies, items will be listed and required corrective actions to be completed within a specified timeline. In addition, SPO may take action in accordance with OAR 333-028-0250 which includes waivers, warnings, suspension, or revocation.

If no certification deficiencies were found during the on-site verification review, the report is your written finding indicating no deficiencies were found.

Narrative

Site Visit Notes

SBHC verification site visit attended by Jane.

Met with the school principal during the visit.

Debrief attended by Jane, health department administrator, medical assistant, school counselor.

Jane is a new SBHC Site Coordinator.

Overall this SBHC is youth-friendly and was very busy during my visit.

I observed two well child visits; the students were both very talkative with provider and both voiced getting

their health care needs fully met by SBHC during their visits.

Items corrected during visit: they updated the sign on the door advertising the clinic hours as the hours changed recently.

This site does not have policies in place at this time.

Areas for improvement: reviewing job responsibilities, workflow, and demand on current Support Staff; often SBHCs and clinics are run with one individual at front desk doing office, scheduling, check-in tasks, and one individual doing rooming, laboratory, and other clinic tasks to support provider.

Action Items

Action Items Section E: Comprehensive Pediatric Health Care

Action Item: Quality Control (QC) was not done in August or September months for CLIA-waived pregnancy test. Package insert says QC should occur monthly.

Plan: Submit QC for pregnancy test for October, November, and December.

Deadline: 12/21/2018

Date Completed:

Accuracy Confirmation

This information is accurate ☐

Confirmed by

Operational Profile

- When is the information required to be updated and confirmed?
 - Initial site certification
 - Submitted by October 1st of each year
 - This year's due date has been changed to December 1st
 - Prior to your certification site visit
 - As changes occur during the year

Email sbhc.program@dhsosha.state.or.us with questions on the Operational Profile.

Operational Profile User's Guide

<https://www.oregon.gov/oha/PH/HEALTHYPEOPLEFAMILIES/YOUTH/HEALTHSCHOOL/SCHOOLBASEDHEALTHCENTERS/Pages/certification.aspx>

OREGON PUBLIC HEALTH DIVISION
Adolescent and School Health Unit

Annual Operating Revenue Information

- Submitted by October 1st of each year
 - This year's due date has been changed to December 1st
- Retrospective operating revenue data for the previous service year of July 1st through June 30th

Key Performance Measures

- Well visit
 - Comprehensive Health Assessment
 - Optional Measures for 2021-2023
 - Adolescent Immunization
 - Chlamydia Screening
 - Flu Immunization
 - Nutrition Screening
- Adolescent Teen Immunization Series
Depression Screening
HPV Immunization
Substance Use Screening

Key Performance Measures

- SBHCs are required annually to perform a random chart audit on a subset of their charts for clients ages 5-21
 - Submitted by October 1st
 - This year's due date has been changed to December 1st
- On our website you'll find Guidance documents that outline the definitions and requirements, including criteria for the eligible population for each Core and Optional measure.
- Any physical, mental or oral health visit should be included in the chart audit, unless stated otherwise.

Visit/Encounter data

- All visits – physical health, behavioral health, oral health
- All clients – clients of any age (not just school-age)
- Usefulness of visit data
 - ✓ Types of visits, types of diagnoses, client demographics
 - ✓ Create reports, brochures, marketing materials
 - ✓ Apply for grants
 - ✓ Present data to legislature, school board, community partners, potential funders

Visit/Encounter data deadlines

- **Mid-year reporting**
 - ✓ January 15th of every year
 - ✓ Include all visits from 7/1 through 12/31
- **Year-end reporting**
 - ✓ July 15th of every year
 - ✓ Include all visits from 7/1 through 6/30

Data must be submitted to the State Program Office in a secure manner to be HIPAA compliant.

Student Satisfaction Survey

- Administered on iPad
- Client ages 12 to 19
- Administer it one time to a client
- The SPO gives each SBHC a minimum number of surveys to complete based on the number of clients served the previous year

Student Satisfaction Survey deadlines

- **Mid-year reporting**
 - ✓ January 15th of every year
 - ✓ Surveys completed since the beginning of school year
- **Year-end reporting**
 - ✓ June 30th of every year
 - ✓ Remainder of surveys completed since mid-year

Student Satisfaction Survey – Parental/Guardian Notification

Students between the ages of 12 and 19 who visit the SBHC may be asked to complete an anonymous survey after their visit. The survey asks about the student's satisfaction and experience at the SBHC, as well as some general questions about their physical and mental health status. Students can refuse to take the survey and this will not affect their ability to get care at the SBHC. A copy of the survey is available below. If you have questions about the survey, please contact the SBHC State Program Office at sbhc.program@dhsosha.state.or.us.

Have You Heard About The School Based Health Center?

As you become more independent, there is a lot to think about - school, friends, family, body image, self-esteem your mind matters to us, and our trained staff at the School Based Health Center (SBHC) are here for you! At the School Based Health Center you can get the same kinds of health services that you get at a regular primary care clinic, conveniently located here at school! Our health providers are specifically trained to work with teens and are available to help you with whatever you need.

Common Topics You Can Have Addressed:

- Your health questions - our priority is to partner with you
- Emotional health and wellness
- Guidance for healthy relationships
- Bullying
- Health exams and sports physicals
- Weight, diet, and overall physical health
- Drug or alcohol use or experimentation
- Sexual Health
- Treatment for illness and infections
- Vision exams and hearing screenings
- Immunization and vaccines

Location and Hours:

We are located in the orange building just past the high school. See our sign Orchid Health Wade Creek Clinic.

M: 8-7 T: 8-7 W: 8-5 TH: 8-5 F: 8-5

Trustworthy Convenient Confidential

You Privacy is Important

At the School Based Health Center we have strict policies around confidentiality. For the most part, talk about will stay between you and your health provider and will not be shared with your parents or others. If something needs to be shared, we will always talk with you about it first, and work with you on how to do that.

Billing & Insurance

No student will be turned away due to ability to pay. We welcome ALL students, and accept most insurance including the Oregon Health Plan. If you don't have insurance, don't worry - we will still see you.

Stop by or call us @ 503-630-9550

We want to partner with you to provide the best care possible. Make your appointment today!

The SBHC Model

Healthy kids learn better. School-Based Health Centers (SBHCs) ensure that kids can get the care they need, without missing class time.

SBHCs are a unique health care model for comprehensive physical, mental and preventive health services provided to youth and adolescents either within a school or on school property. With easy access to health care in a school setting, SBHCs reduce barriers such as cost, transportation, and concerns surrounding confidentiality that often keep children and youth from seeking the health services they need. SBHCs provide a full range of physical, mental and preventative health services to all students, regardless of their ability to pay.

Each SBHC is staffed by a primary care professional who may be a doctor, nurse practitioner or physician's assistant, other medical or mental health professionals and support staff, such as a receptionist. The centers are comfortable and accessible to encourage kids to either make an appointment to come in or to drop by when they need medical attention and/or want to learn more about health issues.

SBHCs have existed in Oregon since 1986 and succeed through unique public-private partnerships between the Oregon Public Health Division, school districts, county public health departments, public and private practitioners, parents, students, and community members.

Goals of SBHCs

- Improve access to affordable quality primary care and mental health services for school-aged youth
- Provide patient-center care services for all students, regardless of insurance status
- Reduce costs related to unnecessary hospital stays and use of emergency rooms
- Improve educational outcomes because healthy kids learn better
- Save parents time by reducing missed work hours

SBHC Clients

Services are available to students regardless of their ability to pay, insurance status, race, color, national origin, religion, immigration status, sexual orientation, handicap, or gender. Reasonable accommodations are made to provide confidential services to all.

SBHCs and Quality Care

Oregon's SBHCs are staffed by trained, licensed professionals deeply committed to serving the health care needs of young people. Numerous required protocols are in place in order to maintain a high standard of care. Taking that a step further, Oregon SBHCs have certification standards to reduce site-to-site variability.

For more information, please view the current Oregon SBHC Standards for Certification Version 4 (pdf).

Re-Certification Process for CERTIFIED SBHCs

ANNUAL CERTIFICATION REQUIREMENTS

To remain certified, SBHCs must stay in compliance per Standards for Certification. The list below outlines reoccurring due dates and deliverables, as required by the Standards for Certification and the SBHC State Program Office (SPO).

JULY 15:	<ul style="list-style-type: none"> Visit/encounter data submission from prior school year* Mental Health Expansion Grant final report (covers January-June), if applicable
OCTOBER 1:	<ul style="list-style-type: none"> Update the Online SBHC Operational Profile for the current school year. More info in the Operational Profile Users Guide** Includes entire profile (Details, Operations, Staff, Shift Hours, Services) Includes Key Performance Measures* Includes Annual Operating Revenue Information*
OCTOBER:	<ul style="list-style-type: none"> In-person Coordinator meeting (usually in Portland)*** SBHC Coordinators receive new Satisfaction Surveys (paper or electronic)*
WINTER:	<ul style="list-style-type: none"> Coordinator Meeting via webinar***
JANUARY 15:	<ul style="list-style-type: none"> Visit/encounter data mid-year submission for current school year* Satisfaction Surveys mid-year submission* Mental Health Expansion Grant mid-year report (covers July-December), if applicable
SPRING:	<ul style="list-style-type: none"> Coordinator meeting via webinar*** Each biennium, existing contracting agreements are reviewed by SPO with LPHA when contracts are renewed e.g. Spring 2021, Spring 2023
JUNE 30:	<ul style="list-style-type: none"> Satisfaction Surveys end-of-year submission*
ONGOING:	<ul style="list-style-type: none"> Update Operational Profile as changes occur (e.g., staffing, operating hours, contact information or other updates). More info in the Operational Profile Users Guide**

As of Aug 2019

CERTIFICATION VERIFICATION SITE VISIT REQUIREMENTS

After the initial on-site verification review, the SPO will conduct an on-site verification review (site visit) every two years for a representative sample of certified SBHC in each SBHC system

STEP 1:	SPO will schedule Certification Verification Site Visit
	SPO will contact LPHA and applicant (if not the LPHA) or tribe to schedule site visit.
STEP 2:	Fulfill Pre-site Visit Requirements
<input type="checkbox"/>	Review and update, if needed, the Online SBHC Operational Profile no less than two weeks prior to site visit (login information provided by SPO)**
	<input type="checkbox"/> Details <input type="checkbox"/> Operations <input type="checkbox"/> Staff <input type="checkbox"/> Shift Hours <input type="checkbox"/> Services
	Instructions to complete Operational Profile include: <ul style="list-style-type: none"> Operational Profile Users Guide** SBHC Role Descriptions are listed in the Standards for Certification**
<input type="checkbox"/>	Email required materials to assigned Public Health Nurse** no less than two weeks prior to site visit. This may include, but is not limited to: <ul style="list-style-type: none"> Required policies and procedures Documentation of blood borne pathogen training for each employee with occupational exposure Documentation of privacy training for all SBHC workforce (physical, mental health, dental health) ALERT IIS vaccine eligibility by age report ALERT IIS vaccine eligibility by vaccine report
STEP 3:	Prepare for Site Visit
<input type="checkbox"/>	Review Standards for Certification**
<input type="checkbox"/>	Review and fill out the Certification Verification Review Tool** for areas that will be assessed during the site visit
<input type="checkbox"/>	Schedule two well-child visits of school-aged youth to occur during site visit
<input type="checkbox"/>	Review and update, if needed, the Online SBHC Operational Profile no less than two weeks prior to site visit
<input type="checkbox"/>	Update as needed the certification binder with partnership agreements and policies and procedures
STEP 4:	Day of Site Visit Requirements
	SPO will conduct the following activities: <ul style="list-style-type: none"> Review of documents, policies and procedures, and records Review of electronic medical record systems, review of electronic health records systems, and review of practice management systems Review of data reports from electronic systems or other patient registry and tracking systems Interviews with practice management, clinical and administrative staff. This includes interviews with school staff including office, administration, and school nurse, if available. On-site observation of practice staff with at a minimum 2 patients, with consent of the patient, parent, or guardian and On-site observation of patient environment and physical environment during business hours
	SBHC will participate in site visit including having Site Coordinator on site, invite partners to exit interview, and participate in exit interview.
STEP 5:	Site Visit Report
	SPO will send written site visit report within two weeks of site visit
<input type="checkbox"/>	Complete any indicated Action Items by listed deadlines
STEP 6:	Congratulations – Your SBHC is CERTIFIED!

School-Based Health Centers
Health care a few steps away

Ver al médico por la escuela es fácil.

What's an SBHC?

SBHCs are medical clinics that offer children and youth health care either in a school or on school grounds. They help children and youth get the care they need when they need it.

SBHCs have primary care providers such as doctors, nurse practitioners and physicians' assistants. Some have dental and mental health providers. They work with school nurses to help youth stay healthy and in school.

Community partnerships that include schools, school boards, parents, students and medical professionals create and support SBHCs.

How can an SBHC help?

- Well-child exams
- Sick visits
- Minor injury treatment
- Vision, dental and other health screenings
- Immunizations
- Alcohol and drug counseling
- Mental health counseling
- Reproductive health services
- Classroom presentations

Who can go?

SBHCs serve children and youth who attend the school. Some SBHCs serve students within the district or county, teachers and staff at the school, and other community members.

Why go?

- SBHCs are convenient.
- It's easy to drop by or make an appointment.
- Parents spend less time away from work.
- Students spend less time away from school.
- Care is youth-centered.
- Services are affordable.

Need more info?

www.healthoregon.org/sbhc

What about payment?

SBHCs serve children and youth even if they don't have insurance or can't pay. SBHCs can bill Oregon Health Plan and often bill other insurance.

Oregon
Centros de salud en las escuelas
(School-Based Health Centers o SBHC)
El cuidado de la salud a solo unos pasos

Ver al médico por la escuela es fácil.

¿Qué son los SBHC?

Los SBHC son clínicas médicas que ofrecen cuidado de la salud a niños y jóvenes en escuelas o en predios escolares, y les ayudan a recibir la atención que necesitan en el momento en que la necesitan.

Los SBHC cuentan con proveedores de atención médica primaria tales como médicos, enfermeras con práctica médica y médicos asociados. Algunos tienen proveedores de salud mental y dental. Los centros trabajan con las enfermeras escolares para ayudar a los jóvenes a mantenerse sanos y a no faltar a la escuela.

Las asociaciones comunitarias, que incluyen escuelas, juntas escolares, padres, alumnos y profesionales médicos, son quienes crean y respaldan los SBHC.

¿Cómo puede ayudar un SBHC?

- Exámenes de rutina
- Visitas por enfermedad
- Tratamiento para lesiones menores
- Exámenes de visión, dentales y otros exámenes de salud
- Inmunizaciones
- Terapia para problemas de alcohol y drogas
- Terapia para salud mental
- Servicios de salud reproductiva
- Presentaciones en el aula

¿Quiénes pueden ir?

Los SBHC atienden a los niños y jóvenes que asisten a la escuela. Algunos SBHC atienden a los alumnos del distrito escolar o del condado, a los maestros y al personal escolar, y a otros miembros de la comunidad.

¿Por qué debo ir?

- Los SBHC son convenientes.
- Es fácil acercarse o hacer una cita.
- Los padres pierden menos tiempo de trabajo.
- Los alumnos pierden menos tiempo de clases.
- La atención se centra en los jóvenes.
- Los servicios son accesibles.

¿Necesita más información?

www.healthoregon.org/sbhc

¿Cómo se paga?

Los SBHC atienden a niños y jóvenes aunque no tengan seguro o no puedan pagar. Los SBHC pueden enviar la factura al Plan de Salud de Oregon y con frecuencia le envían a otras compañías de seguros.
