

Tobacco-Related and Other Chronic Disease Institutes

Institute IV,
September 30-October 1, 2008

Welcome

“ If we don’t change the direction we are headed, we will end up where we are going.”

~ Chinese proverb

“ People don’t plan to fail...they fail to plan.”

~ Anon

A graphic at the top of the slide shows a city skyline with various buildings in shades of blue and green against a light green background. The title 'Learning Objectives' is centered over this graphic in a large, black, sans-serif font.

Learning Objectives

- Participants will be able to demonstrate they understand how to use the information from their community assessment to inform and prioritize goals, objectives, and strategies in their three year community plan.
- Participants will be able to demonstrate they understand how to integrate work addressing populations facing disparities into their three year community plan using information from their community assessment, and best practice strategies identified in the HPCPD framework and best practice document.

A graphic at the top of the slide shows a city skyline with various skyscrapers and buildings. The image is semi-transparent and has a color gradient from light blue on the left to light green on the right. The title 'Agenda Overview' is centered over this graphic in a large, black, sans-serif font.

Agenda Overview

- HPCDP Framework review
- Community assessment discussion
- Continuing the health disparities conversation
- TROCD Building Capacity vs. TROCD Implementation purpose and funding discussion
- Planning for Improvement

A graphic at the top of the slide shows a city skyline with various skyscrapers and buildings. The image is rendered in shades of blue and green, with a bright yellow-green sky. The title 'Agenda Overview' is centered over this graphic in a large, black, sans-serif font.

Agenda Overview

- Clarifying roles of community partners and the County Health Department
- Chronic Disease Prevention and Health Promotion Policy Panel
- Round table discussions with various community partners
