

Mission

Community health improvement guided by the touchstones of better health, better care, and lower healthcare costs (*Triple Aim*).

PacificSource Foundation for Health Improvement

The Foundation has invested over \$7 million in local communities from 2000 to 2014

In 2014, the Foundation
funded \$158,006 in
community-based strategic
grants

Community-based Strategic Grants Areas of Focus

Healthcare Integration

Healthcare through a patient-centered medical home model

Evidence-based care for chronic disease

Care coordination

Promotion of physical activity and healthy nutrition

Tobacco prevention

In 2014,
the Foundation
provided \$554,916
in CHE grants.

Community Health Excellence (CHE) Grant Areas of Focus

The Community Health Excellence (CHE) grant program supports organizations and initiatives that seek to *change the delivery of healthcare services in ways that promote achievement of the Triple Aim including:*

- **Medical Homes**
- **Infection Control**
- **Best Practices in Acute Care**
- **Preventive Care**
- **Chronic Disease Management**
- **Integration of Care.**

- **Founded in 2007, Cambia Health Foundation is the nonprofit corporate foundation of Cambia Health Solutions**
- **A 501(c)(3) grantmaking organization that partners with organizations to create a more person-focused, equitable and economically sustainable health care system**
- **Make investments in three strategic program areas: Transforming Health Care, Children's (Behavioral) Health and Sojourns (end of life and palliative care)**

Steven.Lesky@CambiaHealth.com

www.cambiahealthfoundation.org

- 1. Aging (aging in place)**
- 2. Behavioral Health (integrated care)**
- 3. Child Development (trauma informed care)**
- 4. Health Equity (community development)**
- 5. Health Reform (value, consumers, system transformation)**
- 6. Healthy Eating/Active Living (moving beyond schools)**
- 7. Oral Health (providers, integration)**
- 8. Population Health (data-driven priorities)**

Characteristics of a “risk” worthy project

- **Strong Champions (Leadership and Project)**
- **Appropriate Administrative Structure**
- **Open and Honest Communication (Risk Assessment)**
- **Community Support**
- **High Level of Innovation and Game Changing Potential**
