Date: May 5, 2015
To: Oregon Peer Support Specialists
From: Nicole Currier, Coordinator
Office of Consumer Activities
Subject: Peer Delivered Services Survey

The Office of Consumer Activities at the Oregon Health Authority's Addictions and Mental Health Division is conducting an important survey of peers providing peer delivered services in Oregon. We want to understand your experience as a Peer Support Specialist.

Please take 5-10 minutes to help the Office of Consumer Activities better understand what training, supports, and technical assistance you may need in your role of Peer Support Specialist. The Office of Consumer Activities works to ensure that peers have a strong voice within the state mental health services delivery system. This survey is one crucial tool in determining how we can best serve the unique needs of the work you do.

This survey is confidential and your individual responses will not be shared with anyone. You do not need to identify yourself by name in any way.

There are two ways to take the survey:

- 1) Return the paper survey in the enclosed envelope or
- 2) Complete the survey online by visiting: <https://survey.emp.state.or.us/surveys/T88FGF>

The survey will close on **Friday, May 29, 2015**. Please only completely the survey once (i.e. online or paper copy). Results will be posted on our website.

This is your opportunity to help us better understand the landscape of peer support in Oregon. We strive to effectively represent the peer voice to state leadership and to enact policy and systems change that is fully informed by the voices in our community.

Your participation is greatly appreciated!
