

Tentative Goals and Work Plan for Recommendations to Capture APMs in APAC July 7, 2015

Goals

The APAC TAG will prepare a report with recommendations for collecting data about alternative payment methodologies (APMs) in APAC. The report will include:

- Specific APMs to focus on, including working definitions
- Detailed proposal, including data to collect and APAC enhancements needed to collect data (for example, new data fields or files)
- Timeline for implementing proposal and accessing data

Work Plan

July Meeting

- Introduce topic.
- Present business case.
- Identify preliminary list of APMs for consideration.

August Meeting

- Understand APMs adopted by payers.
- Understand data supplier capacity to report on APMs.

September Meeting

- Discuss data collection proposal.

October Meeting

- Finalize proposal and recommendations.
