

Oregon CCO Metrics Technical Advisory Workgroup

August 28, 2014

Updates from the August 22, 2014 Metrics & Scoring Committee meeting

New Members

The Committee welcomed three new members:

- Ken House (Mosaic Medical / PacificSource Central Oregon CCO)
- Juanita Santana (Private Consultant)
- Eli Schwarz (OHSU Department of Community Dentistry)

Departing members include Jeanine Meyer Rodriguez, Bob Joondeph, and Phil Greenhill.

2015 Metric Selection

The Committee selected the following draft list of measures for CY 2015. New and modified measures are marked with an asterisk.

OHA will bring draft specifications for all new and modified measures to the September TAG meeting for discussion.

2015 Incentive Measures

Notes

Adolescent well care visits

Access to care (CAHPS)

*Alcohol and drug misuse (SBIRT)

Lower the age from 18+ to 12+; specifications TBD.

Ambulatory care: emergency department utilization

Colorectal cancer screening

Use the 2014 approach, with hybrid methodology

Developmental screening

Depression screening and follow up plan

Oregon CCO Metrics Technical Advisory Workgroup

August 28, 2014

2015 Incentive Measures	Notes
Diabetes: HbA1c control	
*DHS custody	Add dental assessments to the measure; children must receive mental, physical, and dental health assessment for inclusion in the numerator
*Effective contraceptive use among women at risk of unintended pregnancy	Specifications TBD.
EHR adoption	
*Follow up after hospitalization for mental illness	Modify to include follow up services occurring on day of discharge; specifications TBD.
Hypertension control	
PCPCH enrollment	
Timeliness of prenatal care	Use the 2014 approach, with hybrid methodology
*Tobacco use prevalence	Specifications TBD, most likely CAHPS based
Satisfaction with care (CAHPS)	
*Sealants on permanent molars for children	

The Committee agreed to drop Early Elective Delivery and Follow up Care for Children Prescribed ADHD Medications as incentive measures for 2015. OHA will continue to report on these measures under the 1115 demonstration waiver, but they will not be tied to the quality pool payments in 2015.

Benchmarks and Improvement Targets

The Committee will select benchmarks and improvement targets for the 2015 measures at their October meeting. The Committee will also identify challenge pool measures in their October meeting.
