RULE SUMMARY

The Division needs to amend OAR 410-050-0861, effective April 1, 2016, to change the hospital assessment rate from 5.80% to 5.30%. According to the statutes, the director of the Oregon Health Authority is authorized to impose an assessment rate that is the best estimate to generate the revenue needed to cover authorized

Oregon Health Plan expenditures. The proposed change is based on client caseload forecasts and expenditures for health services. The Oregon Health Authority has consulted with hospital representatives on this assessment rate change, and they support the rate decrease. This temporary rule is being filed in order to implement the rate change until a permanent rule can be filed.

This temporary rule is being filed in order to implement the rate change until a permanent rule can be filed.

Need for the Temporary Rule(s)

The temporary rulemaking process is required to ensure that assessment collections beginning April 1, 2016, generate the appropriate amount of revenue needed to fund projected health services. The Oregon Health Authority (Authority) finds that failure to act promptly will result in serious prejudice to the public interest, the Authority, and clients. The permanent administrative rule process requires more time to complete than available in this instance.
