Following this transmittal, you will find the agenda for the **Baker County OHP Regional Meeting, which will be held on Wednesday, October 27, 2004**. This meeting is designed to bring branch staff and managed care plans together to discuss common issues related to the Oregon Health Plan and to receive program updates.

When you review the schedule for your county you will notice a new format. These changes have been made to accommodate the needs of both the managed care plans and branch staff. There are now three segments to the meetings: Plan updates, OMAP updates and Branch Staff time. The first two segments will cover information pertinent to all attendees. The last segment of the meeting has been set aside for issues, which primarily effect branch staff. Plan representatives or providers are welcome to stay for this portion of the meeting, but may leave after the break if they prefer.

Please be sure to check the location and time for each meeting as significant changes have been made. Field offices for CAF, AAA, Senior Services and Child Welfare are encouraged to send representatives. This will ensure your branch receives up to date information that effects Oregon Health Plan clients.
