Message: OMAP is mailing a postcard to all providers that states: "DHS is changing many of its Web site addresses in preparation for moving to a new format. Many of your bookmarks or favorites are probably not working any more. If you start from OMAP's new main Tools for Providers page:http://www.dhs.state.or.us/healthplan/tools_prov/main.html, you should now be able to navigate & set new book-marks to your favorite administrative rules and other documents. Thanks for your patience!"
