Message:

OMAP has revised the Oregon Health Plan "Compare Your Health Plan" Comparison Charts, effective January 2005. You can view the new charts at the following web page:

http://www.dhs.state.or.us/healthplan/data_pubs/planlist/main.html

Staff can order new charts individually from the DHS Distribution Center, or order packets containing the new charts from the OHP Application Center.

If you have OHP application packets that contain the old charts, please recycle the old charts and replace them with new charts from the Distribution Center.

Starting in February, DHS staff can order individual comparison charts using the Forms Branch Ordering System (FBOS). There should be a designated person in each DHS office who is responsible for ordering forms through this system. If you do not have FBOS access, you can also order the charts using the DHS Forms Request (DHS 6620).
