Message: OMAP started an overpayment project (OPP) in 2004 to recoup payments made in error from February 2003 through May 2004 for OHP Standard clients. Providers who refunded overpayments or who had funds recouped were allowed to re-bill OMAP with different code pairings if appropriate. The timely filing rule was suspended for those re-billings. That exception will terminate on **September 30, 2005**. Any OPP untimely claims received after that date will not be paid.
