The OHP Regional Meetings have changed! These meetings are now designed to bring branch staff from Self Sufficiency, Child Welfare and Seniors and People with Disabilities together with representatives from Managed Care Plans and OMAP representatives to discuss common issues related to the Oregon Health Plan and to receive program updates.

These meetings are for case managers, lead workers and others who deliver benefits to Oregon Health Plan clients. There are now three segments to the meetings: Plan updates, OMAP updates and Branch Staff time. Field offices are encouraged to send Lead Workers and line staff to ensure their branch receives up to date information and resource materials.

You do not have to pre-register to attend the meeting, however if you work for DHS and would like to receive training credit you can sign up on the DHS training site at:
