## Long-term care information now available on AIS Web site

When you check a client's eligibility on the AIS Plus Web site, you can now see if the client is residing in a long-term care facility.

- If a client was in a long-term care facility during the dates of service of your AIS Plus inquiry, AIS will return the message, "This is an institutional client. The Long Term Care prescription rates will be applied."
- To register for AIS Plus Web services, go to:  
<http://oregon.fhsc.com>
