Message:

As you know, the OHP application (7210) was recently revised. The new version is now being used across the state. The online OHP application (7210W) has also been revised to match the new 7210, and will be implemented on January 21, 2011.

The 7210W will continue to go to the Statewide Processing Center.

While the 7210 in English was released at the first of the year, 7210's in Spanish, Russian and Vietnamese continue to be used in the previous format. Similarly, the 7210W will be launched on January 21, 2011, in English only, with the other languages to follow. The intent is to implement the other languages in print and online together, in about a month's time.

The online application is found at: <https://apps.state.or.us/mbs/>
