Message:

Attached is the schedule for the Spring OHP Regional meetings. The Regional meetings are held in various locations statewide and are intended for field staff from CAF, SPD/AAA and CW as well as managed care plans and providers. Each branch office is encouraged to send front line staff and/or lead workers to the meeting in their geographic area.

At this valuable forum, staff will:

- Have an opportunity to talk with representatives from managed care plans, OPAR and DMAP.
- Receive medical program training on a wide variety of topics
- Receive useful tools, updates, resources and contact information

This schedule contains the meeting locations for the counties that did not have meetings last fall due to DHS travel restrictions. In most cases, individuals who missed the Fall meetings or who are unable to attend in person at a Spring meeting will have an opportunity to participate by V-con if they choose. Most presentation materials and handouts will be available electronically. A meeting reminder, the agenda and instructions on how to access the handouts will be sent out about two weeks before each meeting.

Be sure to mark your calendars!
