

Errata for Materials related to the October 1, 2012 Prioritized List of Health Services

Update 9/28/2012

Made the following corrections on the Prioritized list and associated CPT files.

1. Add CPT codes 44204 through 44213 to line 173
2. Add CPT code 28150 to line 250
3. Add CPT codes 27881 and 27884 to line 378

Corrected line description for Line 197 to "CANCER OF BREAST"

Added a reference to guideline note 3 on line 4, and a reference to line 4 on guideline note 3. In guideline note 41, there had been a reference to "central of foraminal spinal stenosis. The correct wording is "central or foraminal spinal stenosis".

Update 10/3/12

Guideline note 69 was corrected along with the line descriptions for Lines 3 and 644 to indicate that Guideline Note 3 applies to line 3 and not line 644.
