>25% of Census Tract Population at or Below 100% FPL:

	Diversity Categories	Population Categories
<b>Low</b>	0.03 - 0.23	0 - 1,207
<b>Medium</b>	0.24 - 0.46	1,208 - 2,936
<b>High</b>	0.47 - 0.75	2,937 - 5,414

Office of Forecasting, Research, and Analysis

Data from 2010 U.S. Census:  
Demographic information for census block groups and tracts. (FPL = Federal Poverty Level)

Created April 2012

Diversity categories are based on the calculated Diversity Index for each census block group. The Diversity Index is on a scale from 0 to 1 based on the number of categories (race/ethnicity) and the proportion of people in each category.
