Oregon Authorized Infant Formula Manufacturers and Distributors

Manufacturers:
1. Bristol-Myers Squibb Company
   a. Mead Johnson Nutritional Group
2. Nestle USA
3. Nutricia North America
4. Ross Products Division
   a. Abbot Laboratories
5. PBM Nutritionals
6. Prolacta Bioscience

Distributors:
1. Any business issued a “Food Warehouse” license (#78) found on the Oregon Department of Agriculture Food Safety website is allowed.
   a. [http://oda.state.or.us/dbs/licenses/search.lasso?&division=fsd](http://oda.state.or.us/dbs/licenses/search.lasso?&division=fsd)
   b. Go to the link above– this is a search page for Food Safety licenses.
   c. Fill out the appropriate information (Company name, city, county, if known) for your infant formula supplier/s.
   d. Under ‘License Type’ be sure to select ‘78 – Food Warehouse’ from the menu by clicking on the drop-down arrow and scrolling to that selection.
   e. Once you have all the pertinent information entered, click the “Search Food Safety Licenses” button. This will generate a list of the businesses with #78 licenses.
      i. If you find your infant formula supplier(s) in this list – GREAT! You need not search any further.
      ii. If you don’t find your infant formula supplier(s) on this list – contact us at 1-877-807-0889 and request the Formula Distributor List Request Form and submit for consideration.
2. Some of the common distributors with a “Food Warehouse” license #78 are:
