Oregon Death with Dignity Act
Attending Physician Follow-up Form

Dear Physician:

The Death with Dignity Act requires physicians who write a prescription for a lethal dose of medication to complete this follow-up form within 10 calendar days of a patient’s death, whether from ingestion of the lethal dose of medications obtained under the Act or from any other cause.

For OHA to accept this form, it must be signed by the Attending (Prescribing) Physician, whether or not he or she was present at the patient’s time of death.

This form should be mailed to the address on the last page. All information is kept strictly confidential. If you have any questions, call: 971-673-1150.

Date: _____/_____/____  Patient’s Name: __________________________________________

Name of Attending (Prescribing) Physician: ______________________________________

Did the patient die from ingesting the lethal dose of medication, from their underlying illness, or from another cause such as terminal sedation or ceasing to eat or drink? If unknown, please contact the family or patient’s representative.

☐ 1 Death with Dignity (lethal medication) → Please sign below and go to page 2.

Attending (Prescribing) Physician Signature______________________________________

☐ 2 Underlying illness → There is no need to complete the rest of the form. Please sign below.

Attending (Prescribing) Physician Signature______________________________________

☐ 3 Other → There is no need to complete the rest of the form. Please specify the circumstances surrounding the patient’s death and sign.

Please specify: ___________________________________________________________________
_____________________________________________________________________________
_____________________________________________________________________________

Attending (Prescribing) Physician Signature______________________________________
PART A and PART B should only be completed if the patient died from ingesting the lethal dose of medication.

Please read carefully the following to determine which situation applies to you. Check the box that indicates your scenario, and complete the remainder of the form accordingly.

☐ The Attending (Prescribing) Physician was present at the time of death.

→ The Attending (Prescribing) Physician must complete this form in its entirety and sign Part A and Part B.

☐ The Attending (Prescribing) Physician was not present at the time of death, but another licensed health care provider was present.

→ The licensed health care provider must complete and sign Part A of this form. The Attending (Prescribing) Physician must complete and sign Part B of the form.

Contact information for the licensed health care provider present at the time of death:
