Child Welfare Program Mission and Goals

Mission: Improve family capacity to provide safe and permanent living environments for children.

Goals:

- Protect children and promote children's safety in their homes.
- Help children who are unable to live safely in their homes live in settings that provide safety, stability and continuity with their families.
- Expand program partnerships and increase the cultural competency of DHS staff and partners to better serve Oregon's diverse communities.
- Prevent the current and future need for additional high end services.
- Mitigate trauma
