Re: Request for Applications (RFA), Existing OHCS Portfolio projects.

Oregon Housing and Community Services is issuing a Request for Applications for Existing Portfolio projects in which we have financial interest.

Funds acquired through the Housing Opportunity Bill will be awarded in a competitive process. The department will give priority to projects that address life, health and safety issues or that demonstrate an urgent need for repair or assistance to remain operational and viable.

Deadline: March 29, 2011

For more details and an application, visit our website at:
