On December 18, 2017, the Oregon Liquor Control Commission took the following rulemaking action(s):

**FINAL ACTION**

- **2017 Bill and Technical Package**
  - The 2017 Oregon Legislature adopted several bills during the 2017 legislative session. In response, the Commission voted to initiate rulemaking at the July 2017 Commission meeting to amend Division 25 Recreational Marijuana rules. Specifically, House Bill 2198, Senate Bill 56, 1015 & 1057 each require significant changes to Division 25 of Chapter 845. Further, the Commission has continued to learn lessons about the emerging recreational marijuana market. In response, staff has made technical amendments in response to market realities. This rulemaking package looks to adopt the legislative changes and the changes made by the Commission in response to lessons learned.
    - **ACTIONS**
      - **Adopted:** 845-025-1335, -2025, -2045, -2110, -2120, -2130, -2140, -2150, -2700, -2750, -3285, -3305, -3505; and

- **SB 1044 Service Permit Package**
  - Senate Bill 1044B makes a number of changes to laws governing alcohol in Oregon. For example, it clarifies that the OLCC’s authority to investigate or discipline a license or permit holder does not end with the lapse, suspension or revocation of that license or permit, and expands the definition of acceptable identification. Further, the bill makes several
changes to service permit requirements in order to allow for an online service permit application process. Senate Bill 1044 contains an emergency clause, and if it passes, will be effective immediately upon signature of the Governor. Staff is evaluating the bill and drafting language to implement the proposed amendments to various portions of Chapter 845.
