## **Clackamas County minor decoy compliance checks in Aurora, Canby, Milwaukie (Unincorporated Clackamas County) and Mulino**

**Clackamas County, OR** – Ninety percent of Clackamas County businesses that were checked by the Oregon Liquor Control Commission passed by refusing to sell alcohol to the minor volunteers. The compliance checks were performed by the Oregon Liquor Control Commission on June 18, 19 and 23.

The minor decoy checks on June 18 and 19 resulted in 100 percent compliance rates, which are significantly higher than the statewide average of 78 percent. The minor sales check on June 23 yielded a compliance rate of 71 percent; altogether the checks have a combined compliance rate of 90 percent.

“It is essential for licensees and their employees to check ID’s correctly,” said Carl Lewis, East Metro Enforcement Unit Manager. “Spending that extra 30 seconds to really look at the ID being presented could prevent many alcohol sales to minors.”

The commission performs the minor sales checks in an effort to reduce drinking by minors, which is a serious problem throughout the state. The OLCC tests about 1,800 licensed liquor businesses each year. Licensees or their employees can be held liable for alcohol-related damages and injuries if they serve or sell alcohol to a minor.

The OLCC offers a free training course on how to check ID's. Participants learn how to identify false identification and the laws regarding minors and alcohol. Additional training opportunities are available including classes for store clerks and service permit holders. Interested persons can call the local OLCC office to schedule a training session. During the sales checks, a minor volunteer attempts to purchase alcohol from a licensed business to see if staff are checking ID's correctly and refusing to sell alcohol to anyone under 21. Commission inspectors or other law enforcement officers supervise the minor volunteers. The volunteers carry their own legal ID that identifies them as under 21 and do not disguise their age or lie to encourage the sale of alcohol.

Under Oregon law, businesses in cities with a population of 20,000 or more have an equal chance of being randomly selected for a minor decoy compliance check. A business can also be selected for a compliance check if there is a documented complaint of sales to minors. Businesses in cities with a population under 20,000 and unincorporated areas in counties are not subject to these selection requirements.
